**Texts Of Desire** Linda Christian-Smith, 2014-01-14 Popular fiction continues to be the object of both academic and political interest as educators seek to understand the role literacy plays in constructing gender class race ethnic sexual age and national subjectivities of young women Popular fiction represents both ideological closure and utopian possibilities Nowhere are these double edged qualities more evident than in popular teen romance fiction Texts of Desire examines stories in which desire fantasy politics and economics are intertwined with literacy femininities and schooling It focuses on the role of teen romance and other popular fiction in the construction and reconstruction of femininities Internationally These texts many of which focus on girls first love experiences have stunned the publishing world with their record sales and international readership in little over ten years Developed in the United States amid the conservative political Reaganism teen romance fiction condenses and articulates the long standing fears and resentments of conservative groups regarding feminism and women's growing independence and political power Texts of Desire is a stimulating collection of essays which draw on multidisciplinary approaches from cultural studies and feminist theories psychoanalysis semiotics reader research and critical theory Internationally recognised researchers explore the complexity of the worldwide teen romance novel phenomenon and the political character of women's schooling and literacies Sexual Cultures and the Construction of Adolescent Identities Janice Irvine, 2009 Adolescent sexual awakening is reevaluated in terms of social and cultural influences

**Becoming a Woman Through Romance** Linda K. Christian-Smith, 2019-10-01 A woman is incomplete without a man motherhood is a woman's destiny and a woman's place is in the home These conservative political themes are woven throughout teen romance fiction's sagas of hearts and flowers Using the theory and interpretive methods of feminism and cultural studies Christian Smith explores the contradictory role that popular culture plays in constructing gender class race age and sexual meanings Originally published in 1990 Becoming a Woman through Romance combines close textual analyses of thirty four teen romance novels written in the United States from 1942 1982 with a school study in three midwestern American schools Christian Smith situates teen romance fiction within the rapidly changing publishing industry and the important political and economic changes in the United States surrounding the rise of the New Right By analysing the structure of the novels in terms of the themes of romance sexuality and beautification and the Good Bad and Strong Weak dichotomies she demonstrates how each has shaped the novels versions of femininity over forty years She also shows that although romance fiction is presented as a universal model it is actually an expression of white middle class gender ideology and tension within this class This highly readable comprehensive and coherent work was the first to combine in one volume three vital areas of cultural studies research the political economy of publishing textual analysis and a study of readers The first full scale study of teen romance fiction Becoming a Woman through Romance establishes the importance of the study of popular culture forms found in school for understanding the process of school materials in identity formation **The**

**Politics of the Textbook** Michael Apple, Linda Christian-Smith, 2017-09-08 The Politics of the Textbook analyzes the factors that shape production distribution and reception of school texts through original essays which emphasize the double edged quality of textbooks Textbooks are viewed as systems of moral regulation in the struggle of powerful groups to build political and cultural accord They are also regarded as the site of popular resistance around disclosing the interest underlying school knowledge and incorporating alternative traditions

**Daddy's Girl** J. D. Landis, 1985-08 Thirteen year old Jennie is devastated when she accidentally discovers that her father is having an affair with another woman

**Beyond Silenced Voices** Lois Weis, 1993-01-01 This book addresses race class and gender in education in the United States It debates the issues of institutionalized power and privilege and the policies discourses and practices that silence powerless groups At the center of the silence are the most critical and powerful voices of all children and adolescents with their relentless desire to be heard and to survive Weis and Fine go beyond examining policies discourse and practices to call up the voices of young people who have been expelled from the centers of their schools and our culture to speak as interpreters of adolescent culture among them lesbian and gay students who have been assaulted in their schools adolescent women burying their political and personal resistances the moment their bodies fill out young men and women struggling for identities amid the radically transforming conditions of late twentieth century capitalism and Native American college students almost wholly excluded from the academic conversation
