## **Love Freedom And Aloneness A New Vision Of Relating:**

*Love, Freedom, and Aloneness* Osho, 2002-12-13 Why it is that people who are happy being alone have the best chance to have good relationships with others

**India My Love** Osho, 2002-01-23 India is not just a geography or history It is not only a nation a country a mere piece of land It is something more it is a metaphor poetry something invisible but very tangible It is vibrating with certain energy fields that no other country can claim For almost ten thousand years thousands of people have reached to the ultimate explosion of consciousness Their vibration is still alive their impact is in the very air you just need a certain perceptivity a certain capacity to receive the invisible that surrounds this strange land It is strange because it has renounced everything for a single search the search for the truth In these pages we are treated to a spellbinding vision of what Osho calls the real India the India that has given birth to enlightened mystics and master musicians to the inspired poetry of the Upanishads and the breathtaking architecture of the Taj Mahal We travel through the landscape of India's golden past with Alexander the Great and meet the strange people he met along the way We are given a front row seat in the proceedings of the legendary court of the Moghul Emperor Akbar and an insider's view of the assemblies of Gautama the Buddha and his disciples In the process we discover just what it is about India that has made it a magnet for seekers for centuries and the importance of India's unique contribution to our human search for truth

**Yoga** Osho, 2002-12-06 Drawing from yoga's original teachings Osho clarifies the mind body relationship and reveals yoga to be not only a set of physical exercises but what he calls a science of the soul

**Spiritual Liberation** Michael Bernard Beckwith, 2009-10-06 Michael Bernard Beckwith the dynamic spiritual leader who touched millions of readers and viewers in *The Secret* and through the spiritual community he founded the Agape International Spiritual Center is now sharing his transforming central message and his powerfully accessible means for embodying that message in daily life a process he calls aspiring toward spiritual liberation Michael Beckwith teaches that inner spiritual work not religiosity or dogma liberates us He draws on a wide spectrum of ancient wisdom teachers such as Jesus the Christ and Gautama the Buddha contemporary spiritual luminaries Thich Nhat Hanh Sri Aurobindo and the Dalai Lama and Western contributors to the New Thought tradition of spirituality such as Emanuel Swedenborg Walter Russell and Dr Howard Thurman to create a profound new belief synthesis Either read silently or aloud *Spiritual Liberation* can be included during meditation or prayer Each chapter includes an affirmation that distills its core concepts into a sentence or two for the reader to easily practice throughout the day Beckwith's personal and touching accounts guide the practitioner to integrate and activate the intrinsic gifts of divinity into everyday life The core concepts of Beckwith's teachings are cohesively conceived and convincingly stated in the provocative chapters of *Spiritual Liberation* Topics covering Evolved People Transportation to Transformation Transcending the Tyranny of Trends and Inner Ecology are some of his foundational teachings that bring together insights from a range of spiritual paths to form a coherent practice that is neither Eastern nor Western but truly spiritually global Regardless of their belief system
