Ferrara, 1995 Information on more than 17 500 living authors from English speaking countries **The Writers Directory** ,1996 *Loving You from Here* Susan Clark, 2022-10-13 Few experiences can compare to the trauma and pain of losing a baby and the wall of silence that often surrounds that loss can make grieving even harder *Loving You From Here* explores the traumatic impact of losing a baby through stillbirth and neonatal death It features the moving stories of multiple families some affected recently some decades

ago but still living with the loss This book is a practical guide for grieving parents in the grips of tragedy and those around them who want to be able to offer support From managing those initial feelings of shock grief guilt and anger this book will also show families how it is possible to grow around that grief and eventually form an enduring bond with their baby This profound and insightful book will help everyone impacted by the loss of a baby before during or after birth including those who have suffered an early or a late miscarriage and those who have had an ectopic pregnancy and provides sensitive and reassuring advice on all aspects of loss and bereavement as well as practical advice on how to find a new normal This groundbreaking book breaks through the suffocating silence that surrounds the death of a baby and gives a voice to all those affected by baby loss

*Loving You from Here* SUSAN. CLARK,2020-10 *Loving You From Here* explores the traumatic impact of losing a baby through stillbirth and neonatal death It features the moving stories of multiple families some affected recently some decades ago but still living with the loss The book is a practical guide for grieving parents in the grips of tragedy and those around them who want to be able to offer support This profound and insightful book will help everyone impacted by the loss of a baby

Labor of Love Sandra S. Schantz,2007-08-03 *Labor of Love* stems from the many lives the author encountered during the years she worked in Labor and Delivery Pregnancy loss infant loss has such a profound affect on marriages and many of the marriages don t survive such a loss Pregnancy loss is greatly misunderstood and undermined in importance in the eyes of society Sandi hopes to bring encouragement and validation to the families who have suffered a pregnancy and or infant loss It is important for the families to know they are not alone in what they feel and have felt in the past or in their need to know what they ve lost both at the time and in all of their tomorrows

**Mothers Bereaved by Stillbirth, Neonatal Death or Sudden Infant Death Syndrome** Frances M. Boyle,2018-10-26 First published in 1997 this volume studied families bereaved by perinatal or infant death including factors both preceding and following the experience and its effect on areas such as marriage mental health and future conception based on interviews with 194 women living in south eastern Queensland Australia Tracing the natural history of the first thirty months of their loss all mothers completed semi structured interviews and standardized questionnaires at two eight fifteen and thirty months following the baby s death The study aims to explain and explore these effects and to suggest some potential recommendations for the care and support of women who experience stillbirth neonatal death or SIDS

When A Baby Dies Alix Henley,Nancy Kohner,2003-09-02 Every year in the UK over 10 000 babies die before birth or shortly afterwards For the parents the grief is hard to bear In this book parents who have lost a baby tell their stories They speak about what happened how they felt how they have been helped by others and how they helped themselves Using letters from and interviews with many bereaved parents Nancy Kohner and Alix Henley have written a book which offers understanding of what it means to lose a baby and the grief that follows *When a Baby Dies* also contains valuable information about why a baby dies hospital practices the process of grieving sources of support and the care parents need in future pregnancies

**When Pregnancy Fails** Susan Borg,Judith

Lasker,1981 Here is the first book to offer the genuine comfort and supportive advice so desperately needed at the time of infant loss Susan Borg and Judith Lasker who each suffered a failed pregnancy have combined their experience and interviews with doctors nurses clergy funeral directors and other bereaved parents to form this complete and helpful guide

*Still Here* Alishia Anderson,2018-10-15 Did you or someone you know and love suffer from baby loss via stillbirth miscarriage neonatal death or infant loss If so this is the book for you *Still Here* is the memoir of grieving parents navigating the joys of pregnancy and the extreme lows of baby loss *Still Here* is a personal testimony of how love faith and support can bring you back from the abyss after the loss of your precious baby into a life of purpose Alishia wrote this book in hopes to remove the shield of shame and isolated suffering as well as shed light onto the cloak of secrecy wrapped inside of baby loss Most importantly Alishia wrote *Still Here* as a personal tool to heal her broken heart after suffering the devastating loss of her twenty eight week old son in hopes that her pain and restoration would be the jumpstart to someone else s recovery after loss She also delved into the untapped and often forgotten perspective of a grieving father after baby loss from her husband Derrek It is Alishia s prayer that *Still Here* reaches your heart no matter where you are in your grief journey *Hope and Healing After Stillbirth And New Baby Loss* Kevin Gournay,2024-09-26 Offering wisdom and understanding written with sensitivity this book has much practical help within its pages for a loss like that feels like few others Sands Whether it happens before or shortly after birth the loss of a baby brings overwhelming grief and parents often struggle to access the professional help they need In this new edition of their compassionate and practical book Professor Kevin Gournay who himself lost a child to stillbirth and distinguished midwife Dr Brenda Ashcroft offer understanding of what it means to go through this bereavement and healing advice on how to make sense of it They give important information about parents rights and cover such difficult topics as post mortems and inquests The book considers parents reactions not least feelings of anger as well as offering help for and insight into the relationship difficulties that often follow the loss of a baby There is support for anyone who might be experiencing anxiety or depression advice on how other children in the family might be affected and possible prevention and treatment for future pregnancies Sympathetic expert and warmly supportive of any bereaved parent this book also provides a guide to good practice for professionals in all relevant fields *Mourning the Dreams* Claudia Malacrida,2016-09-17 *Mourning the Dreams* is an accessible and moving account of parents experiences of grief and recovery after losing an infant during pregnancy childbirth or within the first month of life Drawing from the sociology of emotions health research and psychology her own experience and a range of qualitative methods Claudia Malacrida finds that bereaved parents not only grieve their child and its unrealized potential but often find their personal experiences are at odds with social forces and prevailing assumptions about the nature of their loss and how they should react to it She explores the meanings parents create as they face denial silence and other reactions from friends family communities coworkers the medical community and even within spousal relationships She also describes the courage and

creativity of parents who create and negotiate meanings that help them grieve recover and manage relationships **They Were Still Born** Janel C. Atlas, 2010-12-16 Stillbirth defined as the death of an infant between 20 weeks gestation and birth is a tragedy repeated thirty thousand times every year in the United States That means more than eighty mothers a day feel their babies slip silently from their bodies the only sound in the delivery room their own sobs Eighty stillborn babies a day means heartbroken families mourn the death of children who will never breathe gurgle learn to walk or go to school In 2006 Janel Atlas became one of those mothers who left the hospital with empty arms her second daughter Beatrice Dianne was stillborn at 36 weeks Reaching out for comfort she realized a dire need shared by so many others like her and so was born a collection of new essays by writers each sharing their firsthand experiences with stillbirth Atlas includes selections not only from mothers but also fathers and grandparents all of whom have intimate stories to share with readers In addition there are selections that answer many of the medical questions families have in the wake of a stillbirth and that offer the latest research on this devastating loss and how it might be prevented Grieving parents will find in these pages the comfort of knowing they are not alone on this painful path validation of their babies lives and guidance from those who have suffered this tragedy In addition They Were Still Born both inspires and shows readers how to honor and remember their own babies and stories of loss No parent or grandparent to be sets out planning to purchase They Were Still Born Unfortunately there will always be readers devastated grieving and searching for voices to help them through who need it Stillborn John D.
