story This story is about Arapakos father and how she came to care for him when he was elderly There is no more popular  
Greek myth than the one of the hero Hercules and while you may not know her father or her by the time she superimposes  
her father s saga onto the labors of Hercules you will Arapakos overarching aim is for you and your parents to benefit from  
what she has to tell you Hercules and she had much in common they both wanted to help make things right despite the odds  
and both proved victorious In Volume 2 the roles reverse and you find Arapakos taking on the part of Hercules as she  
performs her adaptation of the twelve Herculean Labors to care for her father when Huntington s disease began making its  
mark on his life and person She retells each labor Hercules undertook before making parallels to what she did for her father  
She is confident the herculean myth and her father s story will move you The circle of love can continue through your actions
