Clough,Steven Seidman,2013-07-24 In the last decade or so there has been a shift in the popular and academic discussion of our personal lives Relationships and not necessarily marriage have gravitated to the center of our relational lives Many of us feel entitled to seek intimacy an emotionally depthful social bonding rather than simply security or companionship from our relationships Unlike in a marriage centred culture intimacy is today pursued in varied relationships from familial to friends and to romances And intimacies are being forged in multiple venues from face to face to virtual cyber contexts A new scholarship has addressed this changing terrain of personal life there is today a vast literature on cohabitation parenthood without marriage sex and love outside marriage queer families cyber intimacies and friendships However much theorizing and research has focussed either on the interior subjective or sociocultural aspects of intimacies not their interaction This volume aims to break new ground Intimacies explores the psychological terrain of intimacy in depthful ways without abandoning its sociohistorical context and the centrality of power dynamics Drawing on a rich archive that includes the social sciences feminism queer studies and psychoanalysis the contributors examine changing cultures of intimacy fluid and solid attachments and intimacies from hook ups to sibling bonds to erotic love a politics of intimacy that may involve state enforced hierarchies class misrecognition social exclusion and violence embodied experiences of intimacy and dynamics of endings and loss a pluralization of intimacies that challenge established ethical hierarchies This volume aims to define the cutting edge of this emerging field of scholarship and politics It challenges existing paradigms that assume rigid hierarchical

approaches to relational life Intimacies will be of interest for psychoanalysts and for students or scholars in sexualities gender studies family studies feminism studies queer studies social class cultural studies and philosophy

The Hite Report Shere Hite, 2011-01-04 A reproduction of the classic text unavailable now for more than a decade with a new introduction by the author The Hite Report first published in 1976 was a sexual revolution in six hundred pages To answer sensitive questions dealing with the most intimate details of women s sexuality Hite s innovation was simple she asked women a lot of them everything and published the results One hundred thousand women ages fourteen to seventy eight were asked what they do and don t like about sex how orgasm really feels with and without intercourse how it feels not to have an orgasm during sex the importance of clitoral stimulation and masturbation and to name the greatest pleasures and frustrations of their sexual lives among many other questions The Hite Report declares that orgasm is easy and strong for women given the right stimulation that most women have orgasm most easily during masturbation or clitoral stimulation by hand that sex as we define it is a cultural institution not a biological one and that attitudes must change to include the stimulation women desire

Motivation Lambert Deckers, 2018-01-29 This textbook provides a complete overview of motivation and emotion using an overarching organizational scheme of how biological psychological and environmental sources become motivation the inducement of behavior feelings and cognition It combines classic studies with current research and uses numerous real world examples to engage the student and make often difficult theoretical concepts come to life By understanding and applying the principles of motivation described in the text students will not only discover insights into what motivates their own behavior but also how to instigate self change Thoroughly revised and updated throughout this fifth edition provides a major review of recent research with over 225 new references including expansion in the areas of goal motivation and emotion psychology Other updated topics include new findings and interpretations on how evolution affects our preferences how personality traits determine motivation and how self control depends on a cost benefit analysis The addition of individual chapter glossaries and an increased number of links to additional resources supplement student learning This textbook is suitable as a primary text for courses on motivation For additional resources please consult the companion website at www.routledge.com/cw/deckers

Psychological Perspectives on Sexual Problems Jane M. Ussher, Christine D. Baker, 1993 The regulation

of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of *Psychological Perspectives on Sexual Problems* is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders *Psychological Perspectives on Sexual Problems* is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology of sexuality

Om, Baby! a Pilgrimage to the Eternal Self Jack Haas, 2005 This is both a remarkable journey through sacred India and a pilgrimage to the immortal self With his ever inexorable determination to pursue his highest path Jack Haas visits many holy areas within the subcontinent of India and communes with numerous masters who have passed from this plane but who remain in the subtle realm to assist mankind in its growth towards freedom and eternity These include Krishna Guru Nanak Ramana Maharishi and Shiva himself Within the pages of this book Haas describes his own evolution towards an expanded unlimited consciousness as well as his unique relationships with many aspects of the divine feminine including Mother Mary Sophia Parvati Gauri Kali Saraswati Durga and Gaia Haas path eventually leads him to the absolute union of spirit and flesh and to the inextinguishable Tao running through all of life

Love Orgasm Introduction

In the digital age, access to information has become easier than ever before. The ability to download Love Orgasm has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Love Orgasm has opened up a world of possibilities. Downloading Love Orgasm provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Love Orgasm has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Love Orgasm. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Love Orgasm. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Love Orgasm, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Love Orgasm has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
