

Just Because

I bring you these words of love
Just because I love you
I don't need a special occasion
To tell you just how much
Because every day with you
Is special to me.

You're my heartbeat,
My soul mate, lover
And my best friend
You're my world
And I can't wait to wake up
Each day with you in my life.

You bring me such joy and laughter
That I thank God each day
For bringing us together.

So, today, I send you these words of love
Just because I love you,
Just because I'm so thankful to be able
To spend the rest of my life
And all of eternity with you.
I love you.

heated and lively debates over the work of poets such as Robert Graves Louis Dudek and Charles Olson anecdotes from the

Mountain and other postmodernist movements were beginning Admirers of Creeley and Layton will find this book of special
interest as will students of literature and scholars of modern poetry *Poetry from the Heart* Dee Anne Blades,2005 This
book is the first of hopefully many books of poetry that I am able to put together and share with the readers of the world In
this book are poems that were written 20 to 30 years ago as well as poems that were written this year It is a poetry book that
is full of all different sorts of poetry for all different sorts of people if has fantasy science fiction as well as religious poems
poems that were written as songs and poetry written to show my own feelings at different points in my life It has a touch of
all the kinds of poetry I write including the dragons and fairies that I love so very much as well as the kinds of things that are
happening today that we have to deal with They are all out there for you to enjoy and peruse and have fun with while you are
imaging your self into the world of my poetry I hope it grabs you and takes you away to the many enchanted lands that this
book was meant for you to see The Christian Science Journal ,1921 *Writing Down Rome* John Henderson,1998-12-17
In a series of controversial essays this book examines the Roman penchant for denigration and in particular self denigration
at the expense of Roman culture Comedy in Republican Rome radically transformed both itself and the culture from which it
sprang in Poenulus Plautus laughed at Roman depreciation of Carthage in Adelphoe Terence turned on his audience in
provocation The comic Roman poets played with self mockery in Eclogue III Virgil tests his audience s security in judging
peasant unpleasantness in Odes III 22 Horace sends up his own pious rusticity down on the farm In the second half of the
book Roman verse satire is the subject the genre of male bragging mocks its own masculine aggression The great Latin
satirists make fun of making fun Horace Satires I 9 shows up the politics of humour unmanned by his own good manners
Persius nails his own weaknesses in fortifying himself against the world Juvenal Satire 1 loathes the literary scene he bids to
dominate The book shows a vital ingredient of Roman poetry to be an energetic surge of urbane banter directed towards
