Navajo Techniques For Today's Weaver:

Navajo Techniques for Today's Weaver Joanne Mattera, 1975 **Handweaving** Isabel Buschman, 1991 Buschman annotates more than 550 books and periodical titles published on the techniques and history of handweaving from 1928 through October 1989. She includes works on how to weave, basic weaving texts, books on looms and equipment and patterns both for weaving and for woven articles, handweaving history and historic fabrics from around the world, works on Native American weaving ranging from the Chilkats of the Northwest coast of North America to the Pueblos and Navajos of our Southwest, Mexico and Central America and on through the rich weaving culture of the Andes, reference works containing specialized bibliographies and information on fibers, dyes, education and marketing and periodicals. With author title and subject indexes.

Navajo Textiles Laurie D. Webster, Louise Stiver, D. Y. Begay, Lynda Teller Pete, 2017-08-15. *Navajo Textiles* provides a nuanced account of the Navajo weavings in the Crane Collection at the Denver Museum of Nature Science, one of the largest collections of Navajo textiles in the world. Bringing together the work of anthropologists and indigenous artists, the book explores the Navajo rug trade in the mid nineteenth century and changes in the Navajo textile market while highlighting the museum's important though still relatively unknown collection of Navajo textiles. In this unique collaboration among anthropologists, museums and Navajo weavers, the authors provide a narrative of the acquisition of the Crane Collection and a history of Navajo weaving. Personal reflections and insights from foremost Navajo weavers D. Y. Begay and Lynda Teller Pete are also featured and more than one hundred stunning full color photographs of the textiles in the collection are accompanied by technical information about the materials and techniques used in their creation. An introduction by Ann Lane Hedlund documents the growing collaboration between Navajo weavers and museums in Navajo textile research. The legacy of Navajo weaving is complex and intertwined with the history of the Din themselves. *Navajo Textiles* makes the history and practice of Navajo weaving accessible to an audience of scholars and laypeople both within and outside the Din community.
