The Navigator'S Dream, Volume 3

Julia A. Turk,2012-02-24 In this third and final volume of Julia Turk's Navigators Dream series, the Navigator makes one final voyage into the realm of tarot to ultimately find enlightenment, but it will be much more difficult than a simple turn of the cards for our psychiatrist-turned-philosopher and mystic. In Seaside, the hero ascends into the Major Arcana of the tarot deck via a sailboat led by the Higher Self of the Navigator, known as Guide. Joined together with a motley crew, the sailboat takes the Navigator and Guide deep within the islands of Sephiroth of the Mystic Sea. These are not tropical islands intended for peace and comfort; each island is different than the last and each carries a mystery that must be unraveled. Although the Navigator has learned much amidst the tarot cards, the hero has learned enough to make it home. Externally, the Navigator has difficulties, but internally, there are problems as well as the riddles unravel, so do the deeply held psychological issues of the Navigator. By the end, the mysteries of the Major Arcana might be solved, but will the Navigator be able to heal the wounds built prior to the tarot adventure?

The Dream Quest Don Paresi,2018-11-10 The Dream Quest is set in a post-apocalyptic world that had been ravaged by weapons of mass destruction where a new generation of humanity managed to survive and form a new civilization. Many perils existed in the aftermath of the old war. Mutant tribes of cannibals and hordes of the living dead were the most common, but there were other creatures and unknown dangers. Due to the radiation and chemical afterburn, a form of fusion magic came to the land as well as concerned and vengeful visitors from the unknown creatures that some would call gods. Kastos puts together a ragtag crew of anyone willing to accompany him on this fantastic voyage across unknown waters fraught with wonders and horrors to the icy wastelands in the far south. Where Kastos hopes to discover if the myth of immortal life was real. On board the Kella, an old battered Navy Frigate, the crew assembled and

embarked upon this quest However fate intervenes and throws Kastos a wild card when a beautiful woman is rescued at sea after a devastating storm She warns him about the old gods who guard the gates Terrible malevolent beings who will bar his way unless he chooses her to help him Kastos has to make a choice to either ignore or trust her a woman he has never met yet who seems oddly compelling and familiar *Shattered Dreams* Irene Spencer,2007-08-22 Irene Spencer did as she felt God commanded in marrying her brother in law Verlan LeBaron becoming his second wife When the government raided the fundamentalist polygamous Mormon village of Short Creek Arizona Irene and her family fled to Verlan s brothers Mexican ranch They lived in squalor and desolate conditions in the Mexican desert with Verlan s six brothers one sister and numerous wives and children Readers will be appalled and astonished but most amazingly greatly inspired Irene s dramatic story reveals how far religion can be stretched and abused and how one woman and her children found their way out into truth and redemption 50 Masterpieces of Murder Mystery & Detective Fiction (Vol. 1) Jules Verne,Charles Dickens,Mark
