Mysteries associated with ancient Egypt are not confined to the pyramids of Giza For example consider these One Egyptian hieroglyph is patterned after a bird known as the jabiru another is an image of a saguaro cactus Both the jabiru and the saguaro are found only in the Western Hemisphere so how did they become hieroglyphs Tutankhamen is referred to as the boy king by Egyptologists Why then were statues found in the tomb portraits of a young woman Hatshepsut is said to have been a female pharaoh who reigned for 22 years but then disappeared from the scene What happened to her And why was her image expunged from the walls of temples Senenmut a favorite of Hatshepsut wrote that he had access to all the writings of the prophets Which prophets did he mean Why does the face of the mummy of Ramesses II not match the statues of this great pharaoh Also why did the embalmers remove the stomach and place the heart on the right side of the thorax And why were dried tobacco leaves from the Western Hemisphere used to line the chest cavity Why was Yuya supposedly the father of the great Queen Tiye buried with three coffins while his wife had only two Moreover why did the mask that covered his face

along with the face on the innermost coffin look totally different from the mummy and from each other Death masks were found not just in Egypt but in Greece as well The most famous of these came from grave 5 at Mycenae Each eye of this gold mask has double eyelids In addition like the Sphinx at Giza and the Shroud of Turin the left eye is higher than the right and the mouth is not centered How can such similarities be explained Turning to Italy on the underside of the right wrist of the Prima Porta statue of Augustus there is the distinct impression of the head of a spike According to historians this statue depicts the first emperor of Rome but what if it is instead a portrait of a man who was crucified These mysteries along with many others are examined in detail and then convincingly explained in this first of two volumes to explore crucial links between Egypt Israel Greece and Italy

The Secret Code of the King James Bible

Abdullahi Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who

hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me

Covenant Chris Woodall, 2011-09-14 The premise of this book lies in its title God makes himself known to us in a number of ways through the created order by way of human conscience the unfolding of world events the inherent religious need in man through his written Word and ultimately of course in the Person of Jesus Christ Why he does so is a mystery which we can only assign to sovereign choice The basis upon which he does so however is covenant This being the case not only is the idea of covenant a valid hermeneutic by which to understand Scripture but a vital one without which it would be impossible for us to fully appreciate the divine revelation that is available to us in and attainable to us by the Bible Many Christians will be familiar with the idea that Christ fulfills the Old Testament prophecies and promises concerning God's people in the Old Testament But when we begin to see this too in terms of covenant then we begin to more fully understand precisely what it was that Christ fulfilled and what the implications of this are for those of us who are what the Bible calls in Christ Not only did Jesus meet all the requirements of the overarching theme of the Old Testament in general terms but he filled out to their fullest potential all the intricacies of detail of each of the separate divine covenants that we find there The benefits of this for us are beyond measure the comprehension of them is mind blowing and the treasures they hold simply await our unlocking of them Take the key and peer inside You will not be disappointed The story of the light that never went out, a history of English Protestantism, by A. Cook and W.S. Martin Augusta Cook, 1903

Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was

researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua s day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite **The Watchman of Israel** ,1920 **Truth Versus Man'S Religious Systems** Terry W. McHenry,2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically textually historically culturally and literarily It stresses the importance of moving from a knowledge of the Bible to an understanding of its life giving instructions being studied in its entirety as a gift to mankind from a loving creator Elohim The thrust of the book is accordingly threefold An indictment of two of mans religious systems Judaism and Christianity for syncretism corruption of Elohim's written Word of truth and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word A call to return to the one source of truth the written Word of Elohim understood in its originally written form and in its full and proper context Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life giving instructions how to live a redeemed life as Elohim intended for all mankind *The Imago Dei* John T. Swann,2017-07-07 The creation of humankind in the Image of God is perhaps the most foundational tenet of theological anthropology yet it is rarely understood in the fullness of what it represents Too often focus is placed on the divine image as a condition A study of the Scriptures suggests that it is better understood not as a condition but rather as a commission of humanity to a role specifically a priestly role This book delves into the recognition that the Image of God is nothing less than a divine commission over all of humanity to serve as priests within the temple of creation It examines not only the creation of humankind as a priesthood in the opening chapters of Genesis but also the echoes of this anthropological interpretation throughout the Scriptures and the resulting ramifications for future biblical and theological studies
