The Forum This book is a good resource for nurses interested in helping themselves or others maintain a connection with the purpose of their work. Critical Care Nurse This book provides insight and solutions to compassion fatigue and burnout and can save numerous nurses from leaving a loved and valued profession. Advance For Nurses Compassion fatigue afflicts nurses working in all caring environments and has become a serious issue in health care institutions nationwide. This is the only book to specifically address this challenge and the related syndrome of burnout in nursing. It presents a unique healing model designed to identify, treat, and where possible avert compassion fatigue with holistic strategies and action plans that help cultivate a healthier, more satisfying work environment. The volume addresses risk factors for and manifestations of compassion fatigue, burnout, and other related experiences such as PTSD, death overload, collective trauma, and moral distress, and presents strategies to mediate and resolve these issues. The author emphasizes ways in which dissatisfaction influences the quality of patient care and calls for nurses to reinvent their work environments to favor compassion and contentment. Case vignettes and exercises will help readers identify and alter patterns of negativity to reaffirm purpose in their professional lives. Key Features Describes the positive and negative contributors to professional quality of life. Explores the multifaceted nature of compassion fatigue and burnout in nursing. Addresses the unique risk factors for nurses who work in critical care, ER, oncology, medical surgical, and palliative care areas. Offers holistic self and group strategies and action plans to help leadership and staff nurses overcome compassion fatigue and promote work satisfaction. Addresses gaps in education which contribute to the development of compassion fatigue and burnout. Designed for nurses in stressful health care environments and nurse educators and students.

Role Development in Professional Nursing Practice Kathleen Masters, 2009-10-07 Let Your Professional Journey Begin Role Development in Professional Nursing Practice provides nursing students with a roadmap to help guide them along their journey as a professional nurse. Compassion Fatigue and Burnout in Nursing, Second Edition Vidette Todaro-Franceschi, 2019-03-18. Dr Todaro Franceschi calls us to look with open eyes, open hearts and open minds at the good, the bad, the ugly and the ugliest in health care so that together we can cultivate a healthcare world in which compassion prevails and our shared humanity is embraced. It is up to all of us to hold and safeguard each other in this sacred work. Dr Todaro Franceschi helps us in this mission through this extraordinary book. Mary Koloroutis RN MSN, CEO Creative Health Care Management Minneapolis Minnesota, Co Creator of the Relationship Based Care Model. In this second edition of her seminal text, Dr Todaro Franceschi offers new insights on professional quality of life incorporating current practice, research, literature and examples to show how contentment and happiness of the nursing workforce is related to quality of care. The book provides practical strategies for dealing with a myriad of issues including compassion fatigue, burnout, moral distress, caring for the dying, PTSD and workplace violence. This resource will help empower nurses so they can create a more compassionate work environment. Written by an acknowledged expert in end of life education, professional quality of life and clinical leadership, the text addresses the complex nature of well being in the nursing workforce. Supported by research but written from a holistic and personal perspective, the text includes case studies and exercises that will help the reader to identify negative patterns and explore ways to find purpose in one's life. New to the Second Edition: Expanded emphasis on how workforce well being contributes to care quality. Updated resources and information on national nursing initiatives related to professional quality of life. New chapter on workplace violence, incivility, bullying and mobbing. New chapter on education related to improving PQOL and work environment. Provides a Nurse Leaders Resource Toolkit to guide staff education. Key Features: Articulates an ethic of care developed from a transdisciplinary perspective. Increases nurse awareness of issues that might be hindering their PQOL.
