The Guide to Choosing a Nursing Home is designed to help you make informed decisions about nursing home care whether you re planning ahead or need to make an unexpected decision It s helpful to plan ahead consider all your long term care options and make good financial plans early Before you get started You may have other long term care options like community services home care or assisted living depending on your needs and resources It s also possible you may be eligible for home and community based services covered by Medicaid Before choosing a nursing home you can check to see if one of these other options is available to you or if they might help after a nursing home stay These and other long term care choices are explained briefly in Section 2 Not all nursing homes are certified to participate in Medicare or Medicaid See more information on how these programs protect nursing home residents If you re helping another person Helping another person choose a nursing home or make other long term care choices can be difficult Your support is important and can help your loved one adjust to getting new services or living in a new place like a nursing home Be sure to include the person you

re helping in decisions whenever possible Always make decisions with his or her needs and preferences in mind *Mental Health Consultation in Nursing Homes* Michael A. Smyer, Diane Brannon, Margaret D. Cohn, 1990-12 The most complete book to date concerning the institutionalized care of the mentally ill elderly A compassionate comprehensive portrayal of the problems of caring for older persons by family members and nursing home staff Essential reading for all those working with the elderly Bertram J Cohler Committee on Human Development University of Chicago The real strength of this book lies in its initial conceptualization of the nursing home as a community with a community's complexity of forces working both for and counter to the best interests of its members contrasting the traditional view that the institution is the enemy of its residents M Powell Lawton Director of Research Philadelphia Geriatric Center This eminently readable book meets a long standing need in the field of mental health reflected in the fact that many nursing home residents suffer mental and emotional problems not infrequently the cause of their placement Rooted solidly in theory research and clinical evidence yet with a clear eye to practical applications this excellent book will appeal to scholars educators students administrators consultants and practitioners Barbara Silverstone Executive Director The Lighthouse This book come out at the right time in our return to a national discussion of the mental health needs of older adults Scholarly in breadth and thoroughness the authors draw on their wealth of practical experience to edify topics on the nursing home industry and its community of caregivers families and residents and on strategies for mental health consultation assessment and intervention It is thoughtfully written Carrell Wendland Ph D President Beverly Foundation **Ageing in a Nursing Home** Rosalie Hudson, 2022-04-19 Spending the final chapter of your life in a nursing home is considered by many a fate worse than death Others however have found that through enlightened imaginative care even the frailest of lives can flourish The key to such a transformation is to replace the constricting custodial centres of the past with a more informed research based approach This book is timely responding to evidence of the urgent need for change described in the Australian Royal Commission into Aged Care Quality and Safety Final Report Care Dignity and Respect and its predecessor subtitled Neglect In this book the author proposes a model of care that places the whole person at its centre sidestepping the constraints of a reductionist funding model that focusses on residents deficits and the proprietor's financial gain Aged care requires a comprehensive research based guide to fulfil this aim Narratives are included throughout the book to reinforce the fact that nursing home care is about individual residents and their unique lives Topics explored in various chapters include Ageing in a Changing Community Social Gerontological Care A Palliative Approach Community Expectations Ageing in a Nursing Home Foundations for Care takes a realistic approach that draws on contemporary research and narratives from the unique lives of older Australians who despite their frailty teach us how to care Such knowledge informs and influences their future The book is a resource intended for all who have a stake in the provision of best practice residential aged care and all who benefit from such care Its academic appeal will include those who design and teach courses in aged care gerontology general practice
