Plan 9 From Outer Space:

Plan 9 from Outer Space: the Original Uncensored Screenplay Edward Wood, 2013-04-15 It's been called the worst movie of all time. Now is YOUR chance to read the original uncensored screenplay of Ed Wood's infamous film Plan 9 from Outer Space and judge for yourself. Originally titled Grave Robbers from Outer Space, Wood reportedly wrote the film's script from start to finish in a matter of days following the untimely death of the film's star Bela Lugosi. The movie became Plan 9 from Outer Space when, according to legend, the Baptist church funding part of the project found the original title to be highly offensive. Both titles are contained on the script you have before you, a found and unaltered copy of the script that many believe to be the working version used by Ed Wood while filming the movie. Featuring hand-written annotations and corrections alongside the dialogue and scene descriptions that were hammered out on a typewriter back in 1956, including content that never made it to the finished version of the film, this is a definitive collector's item for any fans of Plan 9, Ed Wood, or horror sci-fi B movie mania in general.

Before Plan 9 Tony Schaab, Patrick D'Orazio, D. A. Chaney, Greg Carter, Tonia Brown, David Dunwoody, Rob Silvera, Jonathan Maberry, Craig DiLouie, Joe McKinney, Michael McCarty, 2012-03-15 Greetings, my friend! The Amazing Criswell here. Anyone who is familiar with Ed Wood's classic film Plan 9 from Outer Space knows that the sometimes nefarious aliens and their ninth attempt to interact with humanity didn't quite work out. What we don't know is this: what were the first eight Plans? When did they happen? What did they entail? How and why did they fail? This book, my friend, will answer those questions. With serious and humorous stories spanning many time periods and genres, including science fiction, horror, noir, steampunk, and speculative fiction, Before Plan 9 boasts an impressive array of writing talent, including national and New York Times best sellers and multiple literary award winners. This collection is narrated by yours truly, the Amazing Criswell, as I offer you my sage words of wisdom and my unique presentation before each spectacular tale. Use this tome, my friend, to learn when throughout history the aliens have had their influence and perhaps it will help to prepare us for their next Plan. If you don't heed my warning and choose not to read this book, then God help you in the future. **BONUS CONTENT** as a special preview also included in this book is the first chapter of the upcoming novelization of Plan 9 from Outer Space by Edward D. Wood Jr. and Tony Schaab.
