Practical Grammar Of The Serbo Croatian:

Practical Grammar of the Serbo-Croatian Language John Dyneley Prince, 1929 **Serbo-Croatian: Practical Grammar and Reader** Monica Partridge, 1964 **Learn Serbo** John Dyneley Prince, 1975 *Serbo-Croat Practical Grammar and Reader* Monica Partridge, 1972 *Croatia* Francis H. Eterovich, Christopher Spalatin, 1970-12-15 This volume continues the story of the cultural and political history of the Croatian people who have long been noted for their significant contributions to the arts and the humanities It examines the Croatian language literature to 1835 the maritime history of the eastern Adriatic Croatian political history from 1526 to 1918 the development of book printing the ethnic and religious history of Bosnia and Hercegovina the cultural achievement of Bosnian and Hercegovinian Muslims and Croatian immigrants in North America Each of the nine chapters in the book is written by a specialist and is accompanied by an extensive bibliography Other special features of this volume are eleven historical maps of the region a geographical map sixteen pages of illustrations and a glossary of geographical names This reference work will be invaluable to libraries and will be a useful source of information for historians writers on Central European affairs students of art and ethnic developments and the layman interested in the Croatian people and their cultural history **Bibliography of Publications on the Languages of the World: Europe and USSR** United States. Army Map Service. Library. Book and Periodical Branch, 1967 The National Union Catalog, Pre-1956 Imprints, 1968 **A Reader's Guide to Croatia** Lawrence D. Orton, 1992 Language and Literacy (RLE Linguistics C: Applied Linguistics) Michael Stubbs, 2014-01-10 Despite a vast amount of study literacy is still a very confused topic which requires the integration of findings from different areas Reading and writing are psychological skills but they are also linguistic skills since people read and write meaningful language and social skills since written language serves particular functions in different societies In this book Michael Stubbs provides a basis for a sociolinguistic theory of literacy He believes that a systematic theory of literacy must be based on an understanding of a number of factors such as the relationship between written and spoken language including how English spelling works and how it is related to spoken English Also of paramount importance are the social educational and technological pressures on written language which are particularly powerful in the case of an international language like English the social and communicative functions which written language serves largely administrative and intellectual functions and the variability of spoken language and the relative uniformity of written language The book also discusses the arguments behind deprivation theory as an explanation of educational failure Reading failure is not well understood but the author stresses that a vital element is the attitude of teachers towards the child's language He emphasizes that it is important that teachers should understand as much as possible about the relationship between written language and the child's spoken language Such understanding he argues can only increase tolerance of regional social and ethnic diversity in language **Annual Workshop on Formal Approaches to Slavic Linguistics** Wayles Browne, 1997 **Toward a Typology of European**

Languages Johannes Bechert, Giuliano Bernini, Claude Buridant, 2011-04-20 The series is a platform for contributions of all kinds to this rapidly developing field General problems are studied from the perspective of individual languages language families language groups or language samples Conclusions are the result of a deepened study of empirical data Special emphasis is given to little known languages whose analysis may shed new light on long standing problems in general linguistics

South Slavic and Balkan Linguistics , 2023-11-27 Studies in Slavic and General Linguistics is mainly devoted to the field of descriptive linguistics Although the series is primarily intended to be a means of publication for linguists from the Low Countries the editors are pleased to accept contributions by linguists from abroad
