Swart, 2018-08 The Shadow Tree Series comprises a unique collection of Western Esoteric studies and practices which Jacobus G Swart spiritual successor to William G Gray and co founder of the Sangreal Sodality has actuated and taught over a period of forty years In The Book of Immediate Magic Part 1 Jacobus G Swart perpetuates the fundamental tenets of Self Creation in which it is maintained that the Centre establishes the Circumference and that personal reality is emanated in harmony with personal Will Hence this tome comprises an enhancement and expansion of the magical doctrines and techniques of Practical Kabbalah addressed in The Book of Self Creation The Book of Sacred Names and The Book of Seals Amulets Jacobus Swart claims that working Immediate Magic is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean and that thoughts are the waves we make in it It is all a matter of coordinating consciousness *Mythology for the Microcosm* A. Brian Lasater, 2005-12 About my book Although there is nothing new under the sun it is always useful to reevaluate old ideas and principles and express them in new and original ways There are many books on the Kabala but based on what I have seen and read there is room for a comprehensive approach Many authors leave out fundamental principles altogether like the authors who don't even mention the celestial bodies and the Zodiac On the other hand scholars of mythology generally do not even refer to astrology and the Kabala and apparently do not recognise that the celestial bodies were the principle gods of the ancient pantheon My approach has been to briefly discuss some of the fundamental elements of the old theologies and relate them to astrology and the Kabala from a modern perspective Thus I have laid an essential foundation for the Kabala and astrology and placed them in the context of Greek and Roman mythology Since I have adopted a broad perspective the

reader has a basis for pursuing these subjects in a variety of ways I have not seen any other book that relates astrology and the Kabala to Greek and Roman mythology the Bible and then relates these to Mesopotamian and Egyptian mythology The ancient theologies have many fundamental elements in common and these form key parts of the foundation of astrology and the Kabala In addition I have given a concise discussion of the Four Alchemical Elements the Signs of the Zodiac and the Celestial Bodies and placed them in a Kabbalistic framework To truly comprehend the Kabala and Astrology it must be remembered that it is one complete whole and it is broken down to make analysis practicable Therefore I have discussed Creation and the Ten Sephiroth the trinity in some of its forms as a sacred elements in Creation and in Man and Woman the Four Elements and the Zodiac Then from a mythological and theological perspective I have looked briefly at Mesopotamia and Egyptian As a counterweight to our cynical age I have looked at the Golden Age of Atlantis and the mythological heroes and heroines of the primordial past serve as exemplars and encourage us to strive to attain some of Occidental Civilization's highest ideals On the other hand Atlantis is a warning the misuse of knowledge and power leads to the destruction of civilization Further from a theological and mythical perspective the Sephiroth were divine instruments used in Creation On a more mundane level the Kabala and astrology are a means to know ourselves and obey the injunction Know Thyself that used to be inscribed on Apollo's temple at Delphi This book is based on the work of the ancients whose writing is superb The quotes in English from the ancients are the best part of the book and it is a pleasure to read

The Book of Immediate Magic - Part 1 Jacobus G. Swart, 2015-12-25 The Shadow Tree Series comprises a unique collection of Western Esoteric studies and practices which Jacobus G Swart spiritual successor to William G Gray and co founder of the Sangreal Sodality has actuated and taught over a period of forty years In The Book of Immediate Magic Part 1 Jacobus G Swart perpetuates the fundamental tenets of Self Creation in which it is maintained that the Centre establishes the Circumference and that personal reality is emanated in harmony with personal Will Hence this tome comprises an enhancement and expansion of the magical doctrines and techniques of Practical Kabbalah addressed in The Book of Self Creation The Book of Sacred Names and The Book of Seals Amulets Jacobus Swart claims that working Immediate Magic is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean and that thoughts are the waves we make in it It is all a matter of coordinating consciousness

On the Art of the Kabbalah Johann Reuchlin, 1993-01-01 Reuchlin s keen interest in Jewish mysticism resulted in the original publication of this work in 1517 The first part of this dialogue reflects on messianism the second part on the relation of the Pythagorean system to the Kabbalah and the third on the practical Kabbalah The German humanist Johann Reuchlin 1455 1522 defended the value of Jewish scholarship and literature when it was unwise and unpopular to do so As G Lloyd Jones points out A marked mistrust of the Jews had developed among Christian scholars during the later Middle Ages It was claimed that the rabbis had purposely falsified the text of the Old Testament and given erroneous explanations of passages which were capable of a christological interpretation Christian scholars most certainly did not advocate learning the Hebrew language Reuchlin was exceptional in pursuing and promoting Hebrew studies believing that a working knowledge of that language was essential for a true appreciation of the Bible and rabbinic literature Refusing to join Christian contemporaries who wished to destroy the Kabbalah and the Talmud he spoke out against ignorance Christians could have a useful dialogue with Jews if they gained a thorough knowledge of the writings of Jewish exegetes and philosophers Toward that end he proposed university endowments that aroused the fury of opponents and led to the famous battle of the books Reuchlin s keen interest in Jewish mysticism resulted in the publication of *De arte cabalistica* in 1517 The first part of this dialogue reflects on messianism the second part on the relation of the Pythagorean system to the Kabbalah and the third on the practical Kabbalah According to Jones Reuchlin demonstrates how Christians can make profitable use of Jewish mystical writings and therefore shares with the reader his understanding of the art of the Kabbalah That art will reach more readers in this modern English language translation by Martin and Sarah Goodman It

reinforces the historical importance of the man who prevented the destruction of Jewish books and anticipated the more liberal climate of the Reformation

Book Of Women Carmen Caballero-Navas, 2014-07-10 First published in 2005 The first part of this book is an historical study of the Hebrew written production on women's healthcare and of Jewish women's lives and experiences regarding the care of their bodies during the late Middle Ages in the Mediterranean West The aim is to restore value to feminine knowledge and practices that were significant then and remain so today The second part presents an edition translated into English with commentary of the Hebrew compilation Sefer Ahavat Nashim the Book of Women's Love This was compiled in the late Middle Ages and is preserved in a single manuscript from Catalonia Provence Its contents are concerned with magic sexuality cosmetics and gynecology areas of knowledge essentially though not exclusively related to women The author focuses on the relation between women and health care and examines both women's knowledge and knowledge about women This pioneering work makes a valuable contribution to the history of Jewish culture and Jewish women during the Middle Ages and also makes a substantial contribution to the history of medicine

The Encyclopedia of Jewish Symbols Ellen Frankel, Betsy Patkin Teutsch, 1995-11-01 Jewish symbols reflect the interaction of word and image within Jewish culture Jews have always studied interpreted and revered sacred texts they have also adorned the settings and occasions of sacred acts Calligraphy and ornamentation have transformed Hebrew letters into art quotation interpretation legend and wordplay have made ceremonial objects into narrative This book represents just such a collaboration between art and language Ellen Frankel and Betsy Platkin Teutsch writer and artist have brought their extensive knowledge and talents together to create The Encyclopedia of Jewish Symbols the first reference guide of its kind designed for use by educators artists rabbis folklorists feminists Jewish and non Jewish scholars and lay readers

Magical Advice Pt. 6, from Mysticalgod, Jewish Magic and Superstition Joshua Trachtenberg, THE anomalous position of the Jew in the modern world is but a latter day version of the fate that has dogged his footsteps ever since he wandered forth among strange and hostile peoples In no time and place however was his status and his plight so manifestly unique as in medieval Europe The essence of that uniqueness lay in his ambiguous relationship to the Christian society in which he led his precarious existence on the one hand influenced by all the objective forces which molded his environment on the other shut off from that environment by insurmountable walls of suspicion and animosity His wilful persistence in his religious and cultural difference from the intolerant Christian civilization of the day the dogmatic enmity fostered by the Church his minority status coupled with an effective economic competition with his non Jewish neighbors all these combined to create an attitude of envy and hatred But these alone do not tell the whole story we must admit a further element into the psychological complex which determined the attitude of Christian toward Jew an element which today has lost its force in the composition of anti-Semitism but which in the Middle Ages loomed very large For it contributed the emotion of fear even of superstitious dread in an age when superstition was the prevailing faith not alone of the masses but of many of their leaders as well Sorcery was a very

real and terrifying phenomenon in those days and many medieval Christians looked upon the Jew as the magician par excellence The allegiance to Satan attributed to Jews with an insistence that almost drowned out its true implication was not merely a form of invective or rhetoric Satan was the ultimate source of magic which operated only by his diabolic will and connivance Christian writers make it quite clear that this is the connection to which they refer 1 Secular and religious authorities took action time and again against the Jews expressly on this count and the Inquisition occasionally availed itself of the charge to get around the restrictions of ecclesiastical law which excluded the Jew from its legitimate hunting grounds The masses also were quick to seize the opportunity afforded by this accusation and mass attacks upon the Jews frequently followed the levelling of the charge To cite but one instance the most violent mob assault upon Jews in England which overwhelmed every major Jewish community and took a tragic toll of martyrs had its inception at the coronation of Richard I in London on September 3 1189 On that occasion a Jewish delegation bearing gifts and pledges of allegiance was driven from the palace publicly accused of having come to cast their enchantments over the newly crowned king and was set upon by the crowd the outbreak spread rapidly through the city and the land took more than half a year to spend itself and left in its wake a trail of horrible butcheries Such manifestations in greater or lesser degree were the usual concomitant of a like accusation The striking feature of the Christian apprehension of Jewish sorcery is that it adhered not to certain specific Jews who had aroused it by their actions but rather to the entire people en masse Consequently every innocent Jewish act which by its strangeness laid itself open to suspicion was considered a diabolical device for working magic against Christians The custom of throwing a clod of earth behind one after a funeral brought a charge of sorcery in Paris in the early years of the thirteenth century which might have had dire consequences if a certain Rabbi Moses b Ye iel had not succeeded in persuading the king of its utterly harmless character The practice of washing the hands on returning from the cemetery aroused the same suspicions of sorcery and provoked some bloody scenes *The Publishers Weekly*, 2004 **Brotherhood of Light**
