Grey, 2006-10-01 Five Foundations of Human Development FFHD Is our Materially Driven Life a Threat to the Spiritual Purpose of our Existence The book is a philosophical religious and practical discourse on Five Foundations of Human Development It offers compelling philosophical analytical and empirical arguments for a better world which is inherent in the worship of God service to humanity obedience to governing authorities and management of God's creation The authors examine problems that we encounter daily and they postulate solutions from Spiritual moral social intellectual and physical perspectives They essentially explore some of our

past and present approaches to solutions to human problems They propose new revolutionary approaches to human development that call the reader's attention to a new enlightenment new hope and new optimism informed by a new Body of knowledge The authors strive to explain the Christian message of God as delivered and taught by Jesus Christ however it is not a work that is exclusively for Christians Their discourse recognizes the comparable message and desire for the unity of humanity by other world religions They present their discourse not as experts or giving expert advice but simply as individuals with a desire to add another dimension of thought and enquiry to the vast storehouse of human knowledge The primary purpose of their discourse is to demonstrate the positive benefits to humanity when Biblical religious perspectives underpin every human endeavor These endeavors include but are not limited to family relations national and international relations engineering science and technology economics history education and health These endeavors dictate human progress Gibbs and Grey contend that humanity can realize the greater ideals of leadership and authority in the world through the application of the teachings of Jesus Christ and the great prophets The authors appeal to leaders of the 21st century educational political scientific and business to seek the knowledge wisdom and understanding of God in using our vast global natural wealth science technology and human capital to educe relevant and applicable strategies for the betterment of all humanity Genre Christianity Religion Inspirational Religion Enlightenment Philosophy General

The Moral Vision of Proverbs Timothy J. Sandoval, 2024-04-16 Wisdom literature is an unfamiliar genre to modern readers and presents many interpretive challenges In this major new work respected wisdom scholar Timothy Sandoval argues that the book of Proverbs though difficult to access for some provides a coherent moral vision for human flourishing The approach Sandoval argues for in *The Moral Vision of Proverbs* is that of virtue ethics or character ethics particularly that which emerges from the classical tradition of Aristotle as opposed to reading the book intentionally or unintentionally through the lenses of modern ethical systems Sandoval engages with specialists in this ethical tradition as well as biblical scholars to make his case that Proverbs is an ancient virtue oriented moral discourse This comprehensive critical study of Proverbs analyzes the book's major topics and strives to discern the moral and philosophical presuppositions and logic of its rhetoric all the while engaging past and present interpretive approaches Although authored by a Christian scholar this text will be of great interest to a broadly ecumenical audience whether students of the Old Testament Tanakh Hebrew Bible biblical scholars or Christian ethicists and moral theologians
