Practical Theology For Aging:

Practical Theology for Aging Derrel R. Watkins, 2003 Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly such as sexual activity or the overlooked needs of people over 80 and addresses it with the faith and assurance that aging is part of God s great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well *Toward a Practical Theology of Aging* K. Brynolf Lyon, Don S. Browning, 1985 *Practical Theology for Aging* Derrell R. Watkins, 2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the assurance that aging is part of God s great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well Practical Theology for Aging reveals several barriers to the spiritual wellness of our elders These include society s stereotypical views of frailty and incompetence in older people the lack of common support by communities of faith and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging suffering and death Each barrier can be overcome by utilizing the practical theology you will find in this book Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity This book has practical suggestions that address God s purpose for aging why do we have to grow old sexual health for senior citizens the suffering and physical debilitation that sometimes accompany aging afflictions like dementia and Alzheimer s disease and how to minister to the unresponsive the inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury preaching to senior citizens as opposed to preaching to a younger congregation so much more Practical Theology for Aging presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women Whether you are a religious leader caretaker family member or esteemed elder this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community

Religion in Aging and Health Jeffrey S. Levin, 1994 This book brings together key scholars and practitioners from a range of fields in order to advance epidemiological and gerontological research into the role of religion in physical psychosocial and mental health Part One addresses such issues as hope forgiveness the psychodynamics of faith and belief and coping in a theoretical context Part Two seeks to advance the methodological sophistication of research in this area with an emphasis on measurement and design issues *Toward a Theology of Aging* Seward Hiltner, 1975 These essays were first presented as lectures at a Conference on the Theology of Aging sponsored by the National Retired Teachers Association

and the American Association of Retired Persons during the spring of 1974 Introduction page 93 **Injustice and the Care of Souls, Second Edition** Sheryl A. Kujawa-Holbrook, Karen B. Montagno, 2023 Injustice and the Care of Souls Second Edition explores injustices in church and society and their impact on pastoral caregiving The book offers pastoral and spiritual caregivers broader contexts knowledge and skills to respond effectively to marginalized people and to reflect on how their own social locations affect their work *Valuing Age* James Woodward, 2008 Pastoral care and practical theology in the light of age and ageing are the focus of this book It will help carers in many different settings to understand the elderly and the issues they face In particular it looks at how theories of age relate to our experience and how experience might challenge and shape our theologies Our shared commitment to an awareness of lifelong learning can help our ministry to be reflective and wise it can broaden our imagination with sympathy The text is grounded in the experience of older people their hopes and fears their problems and possibilities There are exercises at the end of each chapter to help reflection BOOK JACKET **Religion and Aging** Andrea Bieler, Matthias Stracke, Angelika Veddeler, 2017-11-01 This collection of essays explores the intersection of religious psychosocial economic and cultural issues in relation to the dramatic demographic shifts we are facing on a global scale Theologians gerontologists anthropologists and practitioners reflect on the meaning of aging in diverse contexts such as Indonesia South Africa Tanzania Botswana Germany Mexico and Switzerland Assuming that aging is an intricate process that encompasses enrichment and loss the gain of wisdom and the loss of memory and the expansion as well as the constraint of agency the essays analyze how these dynamics play out in different cultural contexts Special attention is given to the role of religion in processes of aging Religion und Alterwerden Interkulturelle und interdisziplinäre Erkundungen Der Sammelband untersucht das Zusammenspiel religiöser psychosozialer ökonomischer und kultureller Aspekte in Bezug auf die dramatischen demographischen Veränderungen mit denen wir in globaler Perspektive konfrontiert sind Wissenschaftler und Praktiker reflektieren aus theologischer gerontologischer sozialpsychologischer und anthropologischer Perspektive die Bedeutung von Alterungsprozessen in unterschiedlichen Kontexten z B in Indonesien Südafrika Tansania Botswana Deutschland Mexiko und der Schweiz Ausgehend von Überlegungen die zeigen dass Alterungsprozesse komplex sind und sowohl Bereicherung und Verlust den Zugewinn an Weisheit und den Verlust von Erinnerungsfähigkeit sowie die Ausweitung als auch die Einschränkung von Handlungsfähigkeit beinhalten können wird danach gefragt welche Gestalt diese Dynamiken in unterschiedlichen Kontexten annehmen Dabei kommt insbesondere die Bedeutung von Religion in den Blick **Aging, Spirituality and Palliative Care** Elizabeth MacKinlay, 2006 The period of time when a person approaches death is always difficult both for the patient and the caregiver Aging Spirituality and Palliative Care discusses best practices in aged and palliative care while addressing patients diverse spiritual needs Leading authorities presentations from the Third International Conference on Ageing and Spirituality in Adelaide Australia in 2004 explore practical sensitive spiritual approaches to help older patients deal with aging illness and approaching death Each

chapter is carefully referenced and many include tables and figures that enhance understanding of research data

Challenging Invisibility: Practices of Care Karen D. Scheib, 2004 **Aging, Spirituality, and Religion** Melvin Kimble, Susan H. McFadden, 1995 This book examines the ways religion and spirituality are experienced by aging persons within an aging society An eminent group of contributors from a variety of disciplines explores this new terrain of an emerging interdisciplinary field The result is a volume that will be the standard reference work on the relationship between religion and the experience of aging **Biblical Perspectives on Aging** J. Gordon Harris, 2013-04-03 As the population of older Americans grows meaningful perspectives on aging are needed by both the young and the old **Biblical Perspectives on Aging** God and the Elderly takes a detailed look at the views of aging presented in the Old and New Testaments This wide ranging and insightful survey encompasses not only the entire Bible but also interpretations of sacred Middle Eastern and Judaic documents This new expanded edition of the original classic text adds thorough discussions of the wisdom of the Bible and Jewish literature with ways to interpret these readings and what they teach about spirituality and growing older Approaches to aging issues have changed in recent years With the average American lifespan increasing the view of old age as a solitary time of waiting has been pushed aside So too has the assumption that the elderly simply want to remember the good old days This updated edition of **Biblical Perspectives on Aging** God and the Elderly has expanded its scope to incorporate and address the effects of these changing views This sweeping study of the Bible's positive treatment of aging and elderly figures sheds new light on contemporary society's negative view of the elderly and what can be done about it Clear examples from both Scripture and literature provide a wealth of understanding comfort and wisdom to everyone interested in aging and the Bible In addition this new edition explores the changing relationships that exist among aging hermeneutics mentoring and spirituality The new insights revealed here reinvigorate the challenge against ageism and traditional pictures of old age as a time of withdrawal and living in the past Among the issues explored in **Biblical Perspectives on Aging** God and the Elderly are aging experiences and the Bible biblical theology and its role in social support for the elderly hermeneutics and old age spirituality and its relationship to aging cross generational relationships and mentoring and a detailed index of Old and New Testament Scripture references Accessible and concise with compelling arguments and numerous examples **Biblical Perspectives on Aging** God and the Elderly is an ideal resource for pastors seminary students professionals and leaders of programs for the elderly It shows both young and old that while aging may not be easy Biblical theology can ease some of its mystery **Choosing Who's to Live** James William Walters, 1996 The population is rapidly aging while access to proper and affordable medical treatment is becoming more and more limited This impasse challenges us to make ethical decisions regarding the rationing of health care Arguing that de facto rationing is already taking place due to economic necessity and that proper management of this rationing is essential to the fair and ethical treatment of all seeking care **Choosing Who's to Live** directly addresses one of the most challenging moral questions

of our day Appearing in the wake of increasing awareness of health care reform this volume identifies four compelling arguments for managed health care rationing the number of citizens over age eighty five will increase 500 percent by the year 2040 current baby boomers could live longer than today s elderly by seven to fifteen years new medical technologies are appearing every day and the ratio of workers to retirees will be 1 4 in forty years instead of the current 1 2 5 In this volume six leading scholars take the discussion of rationing health care beyond the simple idea of withholding government funded live saving treatment from the very old to a more ethical effective treatment plan for all Spiritual Assessment and Intervention with Older Adults Mark Brennan, Deborah Heiser, 2013-04-03 Stay up to date with the latest innovative methods of meeting the spiritual needs of the elderly Spiritual Assessment and Intervention Current Directions and Applications examines current state of the art efforts in the development and implementation of spiritual interventions for older adults Academics and practitioners working in social work social welfare medicine and mental health and aging present innovative approaches to meeting major challenges in the field of gerontology including elder abuse dementia care giving palliative care and intergenerational relationships The book provides practical methods for dealing with the problems and pitfalls of starting and evaluating interventions of a spiritual nature in a variety of community based and institutional settings Spiritual Assessment and Intervention Current Directions and Applications provides you with an overview of current and future methods and means of providing spiritual support to the elderly as they struggle with the problems and possibilities of aging in today s complex world Growing interest in the positive effects that religiousness and spirituality can have on life stress has created a growing need for research and practice models that strengthen reinforce or promote the spiritual well being of older adults This collection first presented in 2003 at the 56th Annual Scientific Meeting of the Gerontological Society of America addresses the important care giving and practice issues involving the physical and psychological health of older adults Spiritual Assessment and Intervention Current Directions and Applications examines how older adults use narrative therapy to manage adversity and maintain self efficacy how faith based communities can be enlisted as important social resources a pilot government funded project to raise awareness of elder abuse in faith communities an intergenerational project involving a preschool and a retirement community spiritual activities for adults with Alzheimer s disease the Creating Alternative Relaxing Environment CARE Cabinet intervention Spiritual Assessment and Intervention Current Directions and Applications is an essential resource for gerontological practitioners from the biological clinical including physicians physician assistants nurses and dentists behavioral and social sciences including anthropologists psychologists social workers sociologists and researchers and for health care administrators Ministering to Older Adults Donald Koepke, 2013-10-18 Learn how to focus your ministry s programs and services on the elderly By 2030 20% of the people living in the United States will be age 65 or older with unique spiritual needs that can affect their physical and mental well being Ministering to Older Adults answers the critical need for a ministry that doesn t center primarily on youth and families in its

outreach instead presenting a step by step guide to developing a ministry for the aged that is focused on the needs and resources of each congregation This program has been used effectively with nearly 50 congregations both large and small to create a focused older adult ministry No two congregations are alike The resources perspectives and skills of each congregation are different as are the needs of its members Ministering to Older Adults provides a framework for use by planning groups within communities of any religious tradition The book presents a process that includes essential questions that allow planning groups to develop answers that fit the needs cultural history and structure of their individual congregations Ministering to Older Adults is divided into three sections The Fundamentals defining your audience your mission and the skills and existing programs that can be brought to the planning process Programming Possibilities spiritual needs based on the aging process continued learning for older adults opportunities to serve and be served providing quality pastoral care and community building Putting it All Together deciding on a direction using desired outcomes for evaluation establishing target dates and ongoing evaluation Ministering to Older Adults also includes forms and charts to help in the planning process The book is an invaluable resource for clergy ministry committees and planning groups and staff persons responsible for older adult ministries

Aging, Spirituality, and Pastoral Care James W Ellor, 2013-05-13 How can you foster spiritual growth in older people This multidisciplinary work re examines issues of aging with dignity and spiritual meaning Aging Spirituality and Pastoral Care A Multi National Perspective brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged Aging Spirituality and Pastoral Care addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving

Aging as a Spiritual Journey Eugene C. Bianchi, 2011-07-01 Bianchi s wide ranging book draws together insights from the social sciences the humanities and religion to establish a holistic framework for a spirituality of aging He argues that middle life and late adulthood present opportunities for turning inward for a deeper contemplative life within the context of active worldly endeavors This can also augur a reform of social relationships beyond individual development alone toward the creation of a more cooperative just society In this way physical decline is countered by a spiritual ascent He summons aging persons fortified with universal values and concerns gained from age and experience to return to the centers of decision making Throughout the author ponders such questions as personal power identity fear freedom contemplation sexuality the church faith suffering and hope In candid interviews older religious leaders reflect on their early value formation personal traumas choice of careers midlife transitions experiences of old age and the prospect of death In dwelling mainly on human spiritual dilemmas of the aging cycle Bianchi offers a strong clear message of hope one that stands against the tide of our culture

which tends to shunt older people to the outer eddies of life's stream Aging as a Spiritual Journey is immensely valuable to all laypersons and those in the helping professions who are concerned about the quality of the aging process *Gerontology in Theological Education* Barbara Payne, Earl D. C. Brewer, 2013-12-19 Gerontology in Theological Education Local Program Development provides a source book for administrators and faculty in theological schools who are concerned about the increasing number of older persons in congregations and communities Theoretical theological and practical chapters offer guidance to those interested in adventuring into aging for the first time or in revising present commitments What Does It Mean to Grow Old? Thomas R. Cole, 1987-08 In What Does It Mean to Grow Old essayists come to grips as best they can with the phenomenon of an America that is about to become the Old Country They have been drawn from every relevant discipline gerontology social medicine politics health anthropology ethics law and asked to speak their mind Most of them write extremely well and their sharply individual voices are heard

Religion, Spirituality, and Aging Harry R. Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen's principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who

work with the aged and gerontology scholars
