presents the very best of sociological thought from the work of the discipline's pioneers to the men and women who are doing today's leading edge research. The 72 articles in this anthology explore Canadian and American social issues as well as the global trends influencing us all. This reader provides excellent material for a wide range of courses including introductory sociology, social problems, cultural anthropology, social theory, social stratification, Canadian and American studies, women's studies, and marriage and the family.

*Renegade Kids, Suburban Outlaws* Wayne S. Wooden, Randy Blazak, 2001. Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture, show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society.

**Extension** Wadsworth, 2005-04. Create your own customized reader for your Sociology class drawing from dozens of classic and contemporary articles found on the exclusive Wadsworth Cengage Learning Text Choice database. Assemble a customized reader for your class containing as few as two or three seminal articles to more than a dozen edited readings. Using the TextChoice website you can preview articles, select your content, and add your own original material. TextChoice will then produce your materials as a printed supplementary reader for your class.

*Seeing Ourselves* John J. Macionis, Nijole Vaicaitis Benokraitis, 2004. This best-selling collection is the only reader that systematically weaves together three types of articles: classic, contemporary, and cross-cultural, for each general topic typically covered in a sociology course. *Seeing Ourselves* conveys sociology's diversity of viewpoints and methodologies and includes important issues and debates that capture the fascinating complexity of the social world.

**The Basics of Social Research** Earl R. Babbie, 2008. This thorough revision of Babbie's standard setting book presents a succinct, straightforward introduction to the field of research methods as practiced by social scientists. Contemporary examples such as terrorism, Alzheimer's disease, anti-gay prejudice, and education, and the legalization of marijuana make this Fourth Edition thoroughly fascinating as it introduces you to the how-tos and whys of social research methods. The book's new qualitative coverage combined with its already strong quantitative material makes this new edition Babbie's best yet. Babbie, long respected in the field and renowned for his engaging and friendly writing style, gives you the tools you need for understanding social research methods and for applying these concepts both inside and outside the classroom as a researcher and as a consumer of research. With a strong emphasis on ethics and additional qualitative material, this Fourth Edition is authoritative yet student-friendly and engaging enough to help you connect the dots between the world of social research and the real world.

Instructor's Edition for Basics of Social Research, 2nd Earl R. Babbie, 2001-07-01      Career Counseling Vernon G. Zunker, 2002. This highly successful book has been called the most comprehensive book on the market, providing readers with needed career theory as well as practical techniques and examples. Through the author's clear writing style, case examples, tables, and exercises, readers develop a solid understanding of the theoretical models of career counseling and are thoroughly exposed to the practical information on how to effectively counsel clients about career issues.
