Praetorian Politics In Liberal Spain:

Praetorian Politics in Liberal Spain Carolyn P. Boyd, 1979 **The Civic Foundations of Fascism in Europe** Dylan Riley, 2019-01-29 A historical look at the emergence of fascism in Europe Drawing on a Gramscian theoretical perspective and development a systematic comparative approach The Civic Foundations of Fascism in Europe Italy Spain and Romania 1870 1945 challenges the received Tocquevillian consensus on authoritarianism by arguing that fascist regimes just like mass democracies depended on well organized rather than weak and atomized civil societies In making this argument the book focuses on three crucial cases of inter war authoritarianism Italy Spain and Romania selected because they are all counter intuitive from the perspective of established explanations while usefully demonstrating the range of fascist outcomes in interwar Europe Civic Foundations argues that in all three cases fascism emerged because the rapid development of voluntary associations combined with weakly developed political parties among the dominant class thus creating a crisis of hegemony Riley then traces the specific form that this crisis took depending on the form of civil society development autonomous as in Italy elite dominated as in Spain or state dominated as in Romania in the nineteenth century **The Francoist Military Trials** Peter Anderson, 2009-09-10 In Spain between 1936 1945 the Franco regime carried out one Europe s more brutal but less remembered programs of mass repression Many were murdered by the regime s death squads and in some areas Francoists also subjected up to 15% of the population to summary military trials Here many suffered the death sentence or jail terms up to thirty years Although historians have recognised the staggering scale of the trials they have tended to overlook the mass participation that underpinned them In contrast to the discussion in other European countries little attention has been paid to the wide scale collusion in the killings and incarcerations in Spain Exploring mass complicity in the trials of hundreds of thousands of defeated Republicans following the end of the Spanish Civil War The Francoist Military Trials probes local Francoists accusations whereby victims were selected for prosecution in military courts It also shows how insubstantial and hostile testimony formed the bedrock of investigations secured convictions and shaped the harsh sentencing practices of Franco s military judges Using civil court records it also documents how grassroots Francoists continued harassing Republicans for many years after they emerged from prison Challenging the popularly prevalent view that the Franco regime imposed a police state upon a passive Spanish society the evidence Anderson uncovers here illustrates that local state officials and members of the regime s support base together forged a powerful repressive system that allowed them to wage war on elements of their own society to a greater extent than perhaps even the Nazis managed against their own population *The Spanish Military and Warfare from 1899 to the Civil War* José Vicente Herrero Pérez, 2017-09-14 This book explores the attitudes of the Spanish army officer corps towards the evolution of warfare during the early decades of the twentieth century and their influence on the armies of the Spanish Civil War It examines how the Spanish military coped with technological innovations such as the machine gun and the tank how it adapted the army s

battlefield doctrine to changes in warfare before the Civil War and the influence of this doctrine on the outcome of the conflict. Of the different armed forces that fought in the Spanish Civil War it is paradoxically the Spanish army that remains most forgotten especially its military doctrine. Scholarship on the Spanish military in this period focuses on its politics, ideology and institutional reforms touching upon hard professional issues only superficially if at all. Based on original research and using largely unstudied Spanish primary sources this book fills a major scholarly gap in the history of the Spanish army and the Spanish Civil War. The Crucible of Francoism Ángel Alcalde, Foster Chamberlin, Francisco J. Leira-Castiñeira, 2021-10-01. The July 1936 coup d'état against the Spanish Second Republic brought together a diversity of anti-Republican political and social groups under the leadership of rebel Africanist military officers. In the ensuing Civil War this coalition gradually came under the rule of Generalissimo Franco. This volume explores the hypothesis that the violence and combat experiences of the war were the fundamental ideological crucible for the Francoist regime. The rebels were a group of reactionary and anti-liberal forces with little ideological or political coherence but they emerged from the conflict not only victorious but ideologically united under the dictator's power. Key to understanding this transition are the different political cultures of the rebel army, how the combatants' war experiences contributed to the transformation of diverse rebel groups and the role of foreign armed intervention. The contributors examine not only the endogenous Spanish political and military cultures of the Francoist coalition but also the transnational influence of foreign groups. The roots of Francoist political culture are found in the Falangist and Carlist militias and Civil Guard units that lent their support to the military rebellion. The war experiences of conscripts, colonial troops and junior officers forged the Francoist ideology. It was reinforced by fascist influences and assistance from Germany and Italy and the lesser-known contributions of Swiss and White Russian volunteers. At the beginning of the conflict the rebel side was not homogeneous. But it weaved together a complex transnational web of political and military interests in the midst of a bloody and destructive war transforming itself in the process to a political and dictatorial platform that was to rule Spain for many years. State Power, Autarchy, and Political Conquest in Nigerian Federalism Kalu N. Kalu, 2009-07-15. This book offers a comprehensive analysis of the evolutionary path of Nigeria's political development. Drawing from the historical themes that existed before and after independence, Kalu N. Kalu elucidates the challenging role of an oil-dependent economy in the struggle for control of state power in the face of political corruption, clientelism and market failures. **Iberian Military Politics** José Javier Olivas Osuna, 2014-10-27. By applying the nodality, authority, treasure and organisation public policy framework and neo-institutional theory to the dictatorship of Salazar and Franco respectively, this study explores the instruments that governments used to control the military and explains the divergent paths of civil-military relations in 20th-century Portugal and Spain. **Esme Howard** B. J. C. McKercher, 2006-03-30. This well-informed and readable biography of a hitherto neglected figure examines Howard's career. Discordant Notes Samuel Llano, 2018. Based on a study of Madrid 1850-1930, *Discordant Notes* argues that sound

noise street music and flamenco have played a key role in structuring the transition to modernity by helping to negotiate social attitudes and legal responses to fundamental problems such as poverty insalubrity and crime Nationalism and the Nation in the Iberian Peninsula Clare Mar-Molinero,Angel Smith,2020-08-20 Nationalism has recently been the focus of considerable interest but relatively little is known about nation building and competing identities in Spain and Portugal In examining the roots of Iberian nationalism and the conflicts and tensions which have come to the fore in the twentieth century this timely collection offers a broad interdisciplinary base and socio historical context through which to understand the region s nationalist challenges Topics include how nationalism is constructed and used as a tool by political groups how language is used as a nationalist emblem and how cultural representations of nationalism manifest themselves at both a popular level and at the level of elites This book will provide a welcome addition to Iberian studies and invaluable insights for students and specialists alike

The Fin-de-Siècle World Michael Saler,2014-11-20 This comprehensive and beautifully illustrated collection of essays conveys a vivid picture of a fascinating and hugely significant period in history the Fin de Si cle Featuring contributions from over forty international scholars this book takes a thematic approach to a period of huge upheaval across all walks of life and is truly innovative in examining the Fin de Si cle from a global perspective The volume includes pathbreaking essays on how the period was experienced not only in Europe and North America but also in China Japan the Middle East Latin America Africa India and elsewhere across the globe Thematic topics covered include new concepts of time and space globalization the city and new political movements including nationalism the New Liberalism and socialism and communism The volume also looks at the development of mass media over this period and emerging trends in culture such as advertising and consumption film and publishing as well as the technological and scientific changes that shaped the world at the turn of the nineteenth century such as the invention of the telephone new transport systems eugenics and physics The Fin de Si cle World also considers issues such as selfhood through chapters looking at gender sexuality adolescence race and class and considers the importance of different religions both old and new at the turn of the century Finally the volume examines significant and emerging trends in art music and literature alongside movements such as realism and aestheticism This volume conveys a vivid picture of how politics religion popular and artistic culture social practices and scientific endeavours fitted together in an exciting world of change It will be invaluable reading for all students and scholars of the Fin de Si cle period

Deadly Embrace Sebastian Balfour,2002-05-23 Combining military political cultural social and oral history Sebastian Balfour narrates for the first time the development of a brutalised interventionist army that played a crucial role in the victory of the Francoists in the Spanish Civil War Spain s new colonial venture in Morocco in the early twentieth century turned into a bloody war against the tribes resisting the Spanish invasion of their lands After suffering a succession of heavy military disasters against some of the most accomplished guerrillas in the world the Spanish army turned to chemical warfare and dropped massive quantities of mustard gas on civilians Dr Balfour exposes

this previously closely guarded secret using evidence from Spanish military archives and from survivors in Morocco He also narrates the daily life of soldiers in the war as well as the self images and tensions among the colonial officers After looking at the motives that drove Moroccans to resist or cooperate with Spain the author describes the contradictory pictures among Spaniards of Moroccan collaborators and foes Finally he examines the Spanish colonial army's response to the Second Republic of 1931 1936 and its brutal march through Spain in the Civil War QUOTES FROM PAUL PRESTON'S READERS REPORT This is a book of very considerable significance the work of a first rate historian working at his peak This is the most complete and wide ranging account to date of the Spanish involvement in Morocco and of the consequences of that involvement inside Spain itself written with a compelling blend of elegance and immediacy this is a major work one of which any historian would be proud

Franco's Justice Julius Ruiz, 2005 Publisher Description **Political Repression in 19th Century Europe** Robert Justin Goldstein, 2013-06-17 Originally published in 1983 The nineteenth century was a time of great economic social and political change As Europe modernized previously ignorant and apathetic elements in the population began to demand political freedoms There was pressure also for a freer press for the rights of assembly and association The apprehension of the existing elites manifested itself in an intensification of often brutal form of political repression The first part of this book summarizes on a pan European basis the major techniques of repression such as the denial of popular franchise and press censorship This is followed by a chronological survey of these techniques from 1815 1914 in each European country The book analyzes the long and short term importance of these events for European historical development in the 19th and 20th centuries

Colonial Paradigms of Violence Michelle Gordon, Rachel O'Sullivan, 2022-05-25 European Holocaust Studies EHS publishes key international research results on the murder of the European Jews and its wider contexts In recent years scholars have rediscovered Hannah Arendt's boomerang thesis the coming home of European colonialism as genocide on European soil as well as Raphael Lemkin's work around his definition of genocide and the importance of its colonial dimensions Germany and other European states are increasingly engaging in debates on comparing the Holocaust to other genocides and cases of mass killing memorialization decolonization and attempts to come to terms with the past Vergangenheitsbewältigung

Reluctant Warriors James Matthews, 2012-07-12 A comparative study of Nationalist Army and Republican Popular Army conscripts during the Spanish Civil War Draws extensively on unpublished archival material to analyse the conflict from the perspective of those who were involved against their will

Fascists and Conservatives Martin Blinkhorn, 2012-11-12 First published in 1990 During the last twenty years prodigious scholarly effort has gone into the study of fascism and the right in twentieth century Europe Quite apart from the study of particular fascist and national socialist movements and of individual right wing regimes Fascist Italy the Third Reich Franco's Spain etc scholars have striven to locate the essential nature of fascism to determine what is distinctive about its ideas programmes policies and support to identify what if anything differentiates it from other forms of rightism and to

decide whether a satisfactory definition of fascism can be arrived at This volume is intended to assist the further consideration of these and related problems **Fascists** Michael Mann,2004-05-24 Fascists presents a theory of fascism based on intensive analysis of the men and women who became fascists It covers the six European countries in which fascism became most dominant Italy Germany Austria Hungary Romania and Spain It is a comprehensive analysis of who fascists actually were what beliefs they held and what actions they committed The book suggests that fascism was essentially a product of post World War I conditions in Europe and is unlikely to re appear in its classic garb in the future Nonetheless elements of its ideology remain relevant to modern conditions and are now re appearing though mainly in different parts of the world **The Agony of Spanish Liberalism** Francisco J. Romero Romero Salvadó,2010-05-26 It was during the period 1913 1923 that the seeds of political polarization and social violence culminating in the Spanish Civil War were sown This volume explores the causes of the growing schism within Spanish society focusing on the crisis of the Spanish liberal order under challenge from newly mobilized forces on both the Right and Left **Ibss Poli Sci 29 1980** "International Committee For Social Sciences Documentation",2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980

Praetorian Politics In Liberal Spain Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Praetorian Politics In Liberal Spain PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Praetorian Politics In Liberal Spain PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Praetorian Politics In Liberal Spain free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Praetorian Politics In Liberal Spain Books

What is a Praetorian Politics In Liberal Spain PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Praetorian Politics In Liberal Spain PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Praetorian Politics In Liberal Spain PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Praetorian Politics In Liberal Spain PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Praetorian Politics In Liberal Spain PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have

restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
