Pragmatic Federalism An Intergovernmental View Of American Government

**Ronald L. Watts, Queen's University
(Kingston, Ont.). Institute of
Intergovernmental Relations**

Pragmatic Federalism An Intergovernmental View Of American Government:

Pragmatic Federalism Parris N. Glendening, Mavis Mann Reeves, 1984 The View from the States Jan Pons Vermeer, 2002 Despite Tip O Neill's maxim that all politics is local and despite the press's emphasis on proximity as a news value national and international developments are frequent topics of discussion in local newspaper editorials In The View From the States Jan P Vermeer demonstrates how public discourse on national politics at the local level influences how citizens and policy makers alike perceive and respond to national political institutions Using 1994 as a case study Vermeer examines ten medium sized daily newspapers representing all regions of the country and analyzes their editorial commentaries on Congress the Presidency the Supreme Court and the electoral process He concludes that while the papers show varied responses to national political events the editorials regularly inject national concerns into local political discourse The View From the States takes a fresh look at the ever increasing influence of regional media on national politics

The Political Economy of Special-Purpose Government Kathryn A. Foster, 1997-03-01 In recent decades local governments across America have increasingly turned specialized functions over to autonomous agencies ranging in scope from subdivision sized water districts to multi state transit authorities This book is the first comprehensive examination of the causes and consequences of special purpose governments in more than 300 metropolitan areas in the United States It presents new evidence on the economic political and social implications of relying on these special districts while offering important findings about their use and significance **Executive Federalism** Ronald L. Watts, Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations, 1989 State implementation of federal standards United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Intergovernmental Relations, 1982 **Defining Public Administration** Jay M. Shafritz, Jr., 2018-03-05 This anthology Defining Public Administration is designed to assist beginning and intermediate level students of public policy and to stir the imaginations of readers concerned with public policy and administration The forty five articles included in the text are all reprinted from the International Encyclopedia of Public Policy and Administration and these accessible interesting articles have been assembled to offer a sample of the riches to be found within the larger work The articles provide definitions of the vocabulary of public policy and administration as it is used throughout the world from the smallest towns to the largest national bureaucracies Defining Public Administration is organized into twelve parts Each part focuses on a domain pertinent to the study of public administration including overviews policy making intergovernmental relations bureaucracy organization behavior public management strategic management performance management human resource management financial management auditing and accountability and ethics Federalism, a U.S.-European Comparative View, 1984 Meeting the Challenge of 9/11: Blueprints for More Effective Government Thomas H. Stanton, 2014-12-18 9 11 revealed serious public sector shortcomings in such areas as border security and immigration control cybersecurity and first responses to hostile acts This book focuses on how to make

government more effective especially in our post 9 11 era of heightened concern for national and homeland security Meeting the Challenge of 9 11 is a top to bottom guidebook for improving government organization and performance While it specifically addresses the key issues of homeland security biodefense border security immigration control and infrastructure protection it has a broader agenda the renewal of an effective well managed government The chapter authors have extensive senior level experience in managing government organizations or in analyzing government organization and management Most are Fellows of the National Academy of Public Administration and active participants in NAPA s Standing Panel on Executive Organization and Management American Federalism and Individual Rights Stephanie Mora Walls,2021-02-15 The protection of individual rights and the division of power between the national government and the states are core principles upon which American governance is built but how well do these concepts work together and to what extent could they be at cross purposes American Federalism and Individual Rights presents both of these founding concepts and explores their compatibility through policy specific studies including civil rights education marriage equality and physician assisted death Written for anyone interested in American politics the author presents all of the foundational information one would need to make their own assessment of how federalism works to either promote or undermine the protection of the individual in these policy areas along with suggestions for further study *State Implementation of Federal Standards: The Clean Air Act* United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Intergovernmental Relations,1982 *21st Century Issues in America* Ph. D. James E. Pittman,James E. Pittman,2009 Written for use as a textbook in an introductory undergraduate course in public administration The SAGE Handbook of Public Administration B Guy Peters,Jon Pierre,2012-08-16 The original Handbook of Public Administration was a landmark publication the first to provide a comprehensive and authoritative survey of the discipline The eagerly awaited new edition of this seminal international handbook continues to provide a complete review and guide to past and present knowledge in this essential field of inquiry Assembling an outstanding team of scholars from around the world the second edition explores the current state of the art in academic thinking and the current structures and processes for the administration of public policy The second edition has been fully revised and updated with new chapters that reflect emerging issues and changes within the public sector Identifying the Antecedents in Public Performance Bureaucratic Politics Strategy Structure and Policy Dynamics Comparative Administrative Reform Administrative Ethics Accountability through Market and Social Instruments Federalism and intergovernmental coordination A dominant theme throughout the handbook is a critical reflection on the utility of scholarly theory and the extent to which government practices inform the development of this theory To this end it serves as an essential guide for both the practice of public administration today and its on going development as an academic discipline The SAGE Handbook of Public Administration remains indispensable to the teaching study and practice of public administration for students academics and professionals everywhere *Handbook of Public Administration, Second Edition*

W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 1997-09-19 This bestselling reference examines all major areas in public administration from the enlightening perspectives of history and the five great concepts or theories framing each topic including public budgeting financial management decision making public law and regulation and political economy The American Reference Books Annual calls this stimulating and thought provoking thorough and inclusive a valuable contribution and Canadian Public Administration said it is impressive an extremely useful reference tool the writing and analysis and the scope of the coverage make the volume a good investment for both government and university libraries

Intergovernmental Relations in Transition Carl W. Stenberg, David K. Hamilton, 2018-04-09 The field of intergovernmental relations has changed substantially over the past five decades It maintains a critical and evolving role in the US federal system as well as in public policy and administration Building upon the legacy of Deil S Wright s scholarship this collection of essays by distinguished scholars emerging thought leaders and experienced practitioners chronicles and analyzes some of the tensions and pressures that have contributed to the current state of intergovernmental relations and management Although rarely commanding media attention by name intergovernmental relations is being elevated in the public discourse through policy issues dominating the headlines Many of these intergovernmental issues are addressed in this book including health insurance exchanges under the now threatened Affordable Care Act and the roles of the federal state and local governments in food safety energy and climate change Contributors interpret and assess the impacts of these and other issues on the future directions of intergovernmental relations and management This book will serve as an ideal text for courses on intergovernmental relations and federalism and will be of interest to government practitioners and civic and nonprofit organization leaders involved in public policy and management

New Governance for Rural America Beryl A. Radin, 1996 An excellent addition to our understanding of rural development and intergovernmental management Its solid scholarship enlightened conceptual framework and clear writing style make it a welcome addition to the field of public policy and administration B J Reed University of Nebraska at Omaha
