writer and self described spiritual nomad Bill Aitken tells us why so many royalty wealthy industrialists influential politicians as well as the poor flock to Puttaparthi Sai Baba s message he reveals can be summed up in one word love It is as simple as it is profound not unlike how his devotees see the Sai himself the embodiment of deep spirituality wedded to simplicity elegance and grace Yet the Sai phenomenon is less about producing vibhuti from thin air and more about modern day miracles miracles like free schools and universities super speciality hospitals which provide free treatment to all and revolutionary projects like the one which has brought drinking water to a million villagers in drought prone Rayalseema Aitken s study is neither a hagiographic exercise in myth making nor a dry objective account of the Sai s life While never shy of expressing his deep love and reverence for Sai Baba he squarely confronts the controversies and criticisms which inevitably dog those who claim acquaintance with the holy

How to Prevent Recession Satya Saurabh
