Pray Always:

How to Pray Always Fr Raoul Plus, 2004-01-31 Christ urges us to pray without ceasing but when we try to do so many of us simply cease without praying We re distracted by troubles or duty or we quit just because it s late already and we re tired Fr Raoul Plus s no nonsense prayer manual How to Pray Always remedies these problems by dispelling the false notions of prayer we all have and showing how we can in fact pray without ceasing even at times when exhaustion cripples us and cares threaten to sweep us away Drawing on the experience of dozens of saints Fr Plus explains sure ways we can recollect ourselves before prayer so that once we begin to pray our prayers will be richer and more productive he teaches us how to practice interior silence habitually even in the rush and noise of the world and he explains each of the kinds of prayer and shows when we should and should not employ each As humans our minds are limited and it s generally hard for us to pay attention to more than a few things at once That s why most of us aren t able to think of God or pray while we fulfill any but the most mindless of our daily duties No problem For such busy occasions which constitute most of the time for most of us Fr Plus explains how we can pray without words by keeping our wills united to God even when our minds must be directed elsewhere In other words How to Pray Always is one of those rare books that actually fulfills the promise of its title It helps us become better Christians by showing us how to know to love and to serve God and to live prayerfully and constantly in His loving presence Pray Without Ceasing Fabio Giardini, 1998 The Coronation Hymnal ... , 1894 **Effective Prayers** Philip J Spurling, 2005-12 *Mountain Top Life Daily Devotional 2021: Volume 6* Dr. D. hope to the tenacity of those who fight injustice Prayer is our saying yes to the Lord to His love that reaches us it is welcoming the Holy Spirit who without ever growing weary pours out love and life upon all While we are not always conscious of our breath we can never stop breathing because this is the source of our physical life In the same way prayer is the source the very breath of our spiritual life Each time we pray we encounter God and come to share more fully in his life

Fred Cato Jr, 2021-12-06 Many times when we are facing difficult situations we do not know exactly how we should pray but thank God for the Holy Ghost who comes to our rescue aid God s Spirit prays through us With this divine help from the Holy Spirit we can intercede even when we don t know what or how to pray Sometimes the Holy Spirit intercedes through us in our native language by giving wisdom as to how to pray Other times the Holy Spirit prays through us in our prayer language Sometimes prayer is just simply a groan that words cannot express Prayer changes things and one of the greatest changes is the change in the one that s praying Prayer will change your attitude it will change your disposition It will change the way you see things it will change the way you talk It will change the way you dress it will change the way you act it will change the way you live your life it will turn your life around 180 degrees Moreover it will make you become a new creature Prayer is the key to God s kingdom *Awe and Expectation* Allen G. GODSWORD GODSWILL ONU,2015-03-05 Going through Becoming a Prayer warrior you will come to understand that whatever things you ask in the Name of Jesus Christ when you pray believing that you receive them you will have them And whoever says to this mountain Be removed and be cast into the sea and does not doubt but believes that those things he says will be done he will have whatever he says The confidence that we have in God is that when we pray according to His Will He hears us because we always do those things that please Him
