Li Ming Dennis Lum

Presence And Prophecy:

Presence and Prophecy, 2002 How does theological education equip people to face the challenges of mission and ministry in a changing world How does Christian presence in society make a difference and how can the Churches speak prophetically of God's purposes today This book suggests how theological education can provide essential opportunities to find encouraging and helpful answers to these questions It explores the kind of world we live in and asks what kind of teaching and learning experiences help Christians to become people with hearts for mission It takes a fresh look at elements of the theological curriculum and suggests a new vision and hope for all the Churches It is also accompanied by a study guide

Presence and Prophecy Simon Barrow, 2002 Presence and Prophecy is an extensive resource for everyone involved in theological education to help rethink its challenges Students and teachers in theological colleges seminaries courses and schemes will find it useful but it is also relevant to those involved with Christian basics courses local church study groups and other informal educational events This Study Guide will help many different groups tackle the different issues raised in Presence and Prophecy It lays out some ways of engaging with the ideas in the book linking the themes and joining in an important conversation about how the Churches in mission can really make a difference in people's lives Whilst this Study Guide contains a summary of the material in the main book it will be difficult to use to full effect without a copy of the full report Presence and Prophecy

Realms of the Prophetic Naim Collins, 2019-06-18 Speak forth Heaven's secrets Since the beginning of time God's desire has been to share Heavenly secrets with His friends These hidden truths are freely given to every believer as they operate in the gift of prophecy The prophetic anointing allows you to hear God's voice speak forth His words and release His power into the world

Christian Prophecy Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it

Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God s salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work

The Practice of Prophecy Li Ming Dennis Lum,2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism

On the Question of the "Cessation of Prophecy" in Ancient Judaism L. Stephen Cook,2011 Revised version of the author s thesis Ph D Catholic University of America Washington D C 2009 titled The question of the cessation of prophecy in ancient Judaism

Dictionary of Biblical Prophecy and End Times J. Daniel Hays,J. Scott Duvall,C. Marvin Pate,2009-05-26 All you wanted to know about biblical prophecy from A to Z the Dictionary of Biblical Prophecy is a comprehensive reference tool It is targeted for those who truly desire to understand prophecy and the end times Starting with Abomination of Desolation and continuing through hundreds of articles until Zionism this book provides helpful and interesting discussions of the entire range of biblical prophecy all at your fingertips This exhaustive work contains articles on a broad sweep of topics relevant to the study of biblical prophecy and eschatology The articles are based on solid scholarship yet are clear and accessible to the lay reader illuminating even the most complicated issues The dictionary also strives for a balanced presentation by laying out differing positions along with their strengths and weaknesses while not pushing any specific theological or interpretive agenda other than a firm commitment to seeking to understand the Scriptures This is a valuable tool you will refer to time and again

Reclaiming Prophecy Darin Slack,2015-05-16 Is there a way to

experience prophetic ministry in a God honoring way without all the mess and confusion Prophetic ministry is the Holy Spirit's gift to the Church Yet this gift has been abused confused and misused making it difficult for today's Church leaders to embrace With biblically sound delivery Darin Slack offers a compelling perspective based on his thirty years of experience in prophetic ministry He challenges indifference and complacency while discouraging doctrinal disorder in the administration of the gift Slack provides a powerful and much needed balance that will allow Church leaders to see the great potential for blessing in the prophetic while reducing the risk Through Scripture Slack offers leaders from all doctrinal backgrounds a faith building process for realizing prophecy that leads to Church edification 1 Cor 14:3 This book is a must have for every pastor or Church leader who desires to scripturally understand and implement prophetic ministry *The Spiritual Warfare Handbook* Chuck D. Pierce, Rebecca Wagner Sytsema, 2016-08-02 3 Bestselling Spiritual Warfare Books in 1 Powerful Volume This spiritual warfare battle plan from international prophetic leader Chuck Pierce presents three bestselling books all in one volume When God Speaks reveals our first line of defense learning to discern God's voice and receive his guidance for the spiritual battles we face Next Prayers That Outwit the Enemy exposes Satan's strategies against us And finally Protecting Your Home from Spiritual Darkness gives ten easy steps for praying for your home your family and your property in order to lock out evil and maintain your victory This step by step in depth handbook will help you know God's heart pray more effectively and overcome the negative influences of darkness for effective spiritual warfare *The Word Among Us* Terry L. Burden, 2022-07-19 The Word Among Us Theologies of the Hebrew Bible Old Testament is a topical approach to the study of the Judeo Christian Bible Each topic is a survey of the many theological themes we encounter in the Biblical narrative such as the theology of Biblical History Torah Moses Election Covenant Land Kingship Prophecy and many more Special topics include The Theology of the Fall of Israel Theology of Messianic Expectations and The Theology of Israel Of particular interest is The Theology of Story which introduces the story oriented literary discipline At the center of Biblical theology is the tragic fall of the Northern Kingdom of Israel in 722 B C E and the Southern Kingdom of Judah in 586 B C E From these periods many of the theological motifs such as covenant law and prophecy arise to address and to explain these tragedies in Israelite history The primary purpose of the present study is a better understanding of the theological function of these motifs or themes A theological function is the power of a Biblical narrative to constitute and to restore the Israelite people who were struggling to survive the late period of Biblical history A special feature of my study are the several promptings from Biblical topics of the many discussions that relate to the New Testament and Christian teachings My approach to the study of the Hebrew Bible Old Testament is unique among other introductions to the Hebrew Bible This book therefore is very important to both the Jewish and the Christian reader **Prophecy in Early Christianity and the Ancient Mediterranean World** David E. Aune, 2003-08-12 Aune's comprehensive study of early Christian prophecy includes a review of its antecedents Greco Roman oracles ancient Israelite prophecy prophecy in early Judaism a discussion of Jesus as prophet

and analyses of Christian prophetic speeches from Paul to the middle of the second century A D The most detailed study of early Christian prophecy written Aune's book places the phenomenon of early Christian prophecy within the larger Greco Roman world *What Was Authoritative for Chronicles?* Ehud Ben Zvi, Diana V. Edelman, 2011-06-30 The essays published here are revised versions of papers presented in 2008 and 2009 in the section devoted to Israel and the Production and Reception of Authoritative Books in the Persian and Hellenistic Period at the annual meeting of the European Association of Biblical Studies The various contributors explore what was authoritative for Chronicles and what authoritative might have meant for the Chronicler from different perspectives The volume includes chapters by Yairah Amit Joseph Blenkinsopp David J Chalcroft Philip R Davies David A Glatt Gilad Louis Jonker Mark Leuchter Ingeborg L wisch Lynette Mitchell Steven J Schweitzer Amber K Warhurst and the two editors Diana V Edelman and Ehud Ben Zvi This volume will be of particular interest to scholars and students of biblical literature and all who are interested in ancient Israelite historiography in Chronicles in the intellectual history of Israel in the Persian early Hellenistic period and in issues of biblical proto canonicity authority and criticism **Prophecy and Politics in South African Pentecostalism** Mookgo Solomon Kgatle, 2023-12-28 This book is an interdisciplinary study of the relationship between prophecy and politics in South African Pentecostalism The role and the power of prophecy in enhancing the presence of politicians in the church square are unpacked through historical examples as well as case studies of contemporary prophets Solomon Kgatle argues that the influence of prophecy in politics has the potential to weaken the prophetic voice of the church in general and the Pentecostal movement in particular He proposes a Pentecostal political theology of prophecy This theology is developed by taking into cognizance the theoretical and theological frameworks of prophetic imagination and pneumatological imagination In addition this theology seeks a balance between prophecy and power and prophecy and sovereignty **Dictionary of the Old Testament: Prophets** G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel's unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora

and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament Pentecostal Prophets Stephen D. Barkley, 2023-04-20 Prophets come in many varieties ecstatic worshipers inspired preachers social justice advocates and even political pundits Their messages vary accordingly The purpose of this book is to dig beneath the message to understand the how How do modern day prophets experience the prophetic impulse The phenomenological study at the core of this book answers that question directly by examining the experience of Canadian Pentecostals From there the experience of modern day prophets is compared with Old Testament prophets with special attention given to Jeremiah It turns out that prophets today share in the same experience as their Old Testament predecessors This book can benefit three audiences For the academy this work provides the first phenomenological study of prophecy in Canada For pastors reading this book will be an exercise in empathy placing you in the shoes of the prophets in your congregation helping you to understand what goes on when someone prophesies For everyday prophets this book will affirm your connection through Jesus to the Old Testament prophetic tradition enabling you to read those Old Testament books in a new experiential light

The Handbook for Prophetic Ministry Jeremy S. Witherow, 2021-02-23 The Handbook for Prophetic Ministry equips leaders and believers for prophetic roles in the Church today It offers one of the most detailed treatments available of the biblical theological and historical foundations and the practical concerns for prophetic ministry It not only answers key questions regarding prophecy and the role of the contemporary Christian prophet it is designed to bring the reader into their own activation into prophecy Jeremy Witherow's volume is the modern comprehensive classic on prophetic ministry

Prophetic Witness and the Reimagining of the World Mark S. Burrows, Hilary Davies, Josephine von Zitzewitz, 2020-09-28 This book explores the prophetic characteristics of literature particularly poetry that seek to reimagine the world in which it is written Using theological and philosophical insights it charts the relentless impulse of literature to propose alternative visions practicable or utopian and point toward possibilities of renewal and change Drawing from each of the three main Abrahamic religions as well as Greek and Latin classics an international group of scholars utilise a diverse range of analytical and interpretive methods to draw out the prophetic voice in poetry Looking at the writings of figures like T S Elliot Blake Wittgenstein and Isaiah the theme of the prophetic is shown to be of timely importance given the current state of geo political challenges and uncertainties and offers a much needed critical discussion of these broad cultural

questions This collection of essays offers readers an insight into the constructive power of literature As such it will be of great interest to scholars working in Religion and the Arts Religious Studies Theology and Aesthetics **Partnering With The Prophetic** Dr. Bruce Cook,2014-02-01 Partnering With the Prophetic is both a practical and scholarly study of and handbook on prophecy prophets and prophetic ministry The book includes numerous Scriptures biblical characters and personal examples and case studies from the author s own life as a business professional financial executive and ordained minister Loaded with nuggets of wisdom fresh insights and revelation this book elevates prophetic ministry to a science as well as an art by including a taxonomy and classification of the 12 types of prophecy the 7 levels of the prophetic the role of prophetic patterns and a detailed discussion of and process for Judging Prophecy that every church leader and business leader alike will want to read

Presence And Prophecy Introduction

In today's digital age, the availability of Presence And Prophecy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Presence And Prophecy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Presence And Prophecy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Presence And Prophecy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Presence And Prophecy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Presence And Prophecy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Presence And Prophecy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Presence And Prophecy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Presence And Prophecy books and manuals for download and embark on your journey of knowledge?
