Second Assistant A Tale From The Bottom Of The Hollywood Ladder:

The Second Assistant Clare Naylor, Mimi Hare, 2005-03-29 Los Angeles Times bestseller A fast paced breezy read about life at the bottom of the Hollywood food chain for fans of *The Devil Wears Prada* and *The Nanny Diaries* No political science degree could ever prepare Elizabeth Miller for her new job as a second assistant at The Agency whose clients include everyone you've never met but you know who they're sleeping with A former congressional intern in Washington Lizzie made a bid for a life change that landed her a job a world away where ethics and First Amendment debates take a backseat to pleading the Fifth for Ritalin snorting boss Scott Wagner He's the hottest young agent in Hollywood who devotes his days to playing online poker that is when he's not closing a 30 million deal for one of his AAA list clients And while getting six hundred dollar highlights from Cameron's colorist or organizing the strippers for George's birthday party come close to causing heart failure for this East Coast girl the real dangers lurk elsewhere But Lizzie is a survivor and no Machiavellian assistant lecherous producer or power struggle at The Agency can douse her nascent dreams of climbing up the Hollywood ladder But first she has to run down to the Coffee Bean to pick up that triple espresso or Scott is going to throw something

The First Assistant Clare Naylor, Mimi Hare, 2007-04-24 For readers of *The Devil Wears Prada* and *The Nanny Diaries* the further fortunes of everyone's favorite assistant as she struggles to keep her footing on Hollywood's slippery slope In the bestselling *The Second Assistant* readers fell in love with smart witty East Coast girl Elizabeth Miller Now that Lizzie has been promoted can she still keep her pumps firmly on the ground in the city of stars With a viperish subordinate after her job the world's hottest teen starlet to keep out of trouble and a boyfriend on location with a beautiful actress she certainly has her hands full The satire is sharper than ever as Naylor and Hare take another wry and hilarious look at the wheeling dealing schmoozing and snubbing that make Hollywood the cutthroat capital of the world *The First Assistant* is a lesson in how to survive in a town where tonight's Oscar frock is tomorrow's laughing stock **Never Done** Erin Hill, 2016-10-05 Histories of women in Hollywood usually recount the contributions of female directors screenwriters designers actresses and other creative personnel whose names loom large in the credits Yet from its inception the American film industry relied on the labor of thousands more women workers whose vital contributions often went unrecognized *Never Done* introduces generations of women who worked behind the scenes in the film industry from the employees' wives who hand colored the Edison Company's films frame by frame to the female immigrants who toiled in MGM's backrooms to produce beautifully beaded and embroidered costumes Challenging the dismissive characterization of these women as merely menial workers media historian Erin Hill shows how their labor was essential to the industry and required considerable technical and interpersonal skills Sketching a history of how Hollywood came to define certain occupations as lower paid women's work or feminized labor Hill also reveals how enterprising women eventually gained a foothold in more prestigious divisions like casting and publicity Poring through rare archives and integrating the firsthand accounts of women employed in the film

industry the book gives a voice to women whose work was indispensable yet largely invisible As it traces this long history of women in Hollywood *Never Done* reveals the persistence of sexist assumptions that even today leave women in the media industry underpraised and underpaid For more information <http://erinhill.squarespace.com> *Sisterhood, Interrupted* D. Siegel, 2007-08-24 Contrary to clichés about the end of feminism Deborah Siegel argues that younger women are not abandoning the movement but reinventing it After forty years is feminism today a culture or a cause A movement for personal empowerment or broad scale social change Have women achieved equality or do we still have a long way to go
