*The Revelation of Jesus Christ* Alfred J. Chomppf Pastor, 2013 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book      **The Revelation of Jesus Christ**

Lams, 2008 Robertson Davies's Cornish Trilogy A Reader's Guide is the first book length study of Davies's best work The Rebel Angels What's Bred in the Bone and The Lyre of Orpheus In The Rebel Angels Maria and Darcourt alternate in narrating the novel's theme obsession before escaping from its grip by their mutual assistance while other characters are less fortunate What's Bred in the Bone narrates the artistic development of Canadian painter Francis Cornish which is crowned by his stunning Marriage at Cana an iconographic presentation of his personal myth a color reproduction of Bronzino's Allegory exemplifies their stylistic kinship While The Lyre of Orpheus is ostensibly focused on the completion and staging of an unfinished Hoffmann opera it narrates the ameliorative personal development of the characters who interact during that project      A Place Called Heaven E. M. Bounds, 2003-11-01 If heaven is truly a paradise where God dwells we should desire it more than anything on this frail

fleeting earth The trials and difficulties of life should each be seen in light of the coming glory of heaven Unfortunately we rarely view things from this perspective Our schedules are filled with the present allowing no time for contemplating or desiring eternity Our incorrect perspective makes us spend our time on the least important things while ignoring those things that are most crucial Take a break from the present and let E M Bounds help you discover A Place Called Heaven Examining virtually all the Scriptures that pertain to heaven Bounds masterfully explains the nature of heaven and our purpose in it Get a taste of heaven here on earth learn a true Christian attitude toward eternity and discover a purer truer life      The Homiletical Library Henry Donald Maurice Spence, Henry Donald Maurice Spence-Jones, Joseph Samuel

chapters touch the doctrinal and objective side the primary burden is the life side May these chapters cause the Lord s children to soberly consider their responsibility toward the kingdom and to aspire to live today in the reality of the kingdom by the divine life so that they may enter into the enjoyment of the kingdom in its manifestation with the Lord in the coming age

**Revelation** Matthew Henry,1999 Henry explores Revelation s imagery and symbolism as the church is reminded of God s sovereignty in accomplishing his will A Crossway Classic Commentary abridged and adapted for today s reader *The Book of Revelation* Linda Toms,2004-09-07 Revelation meaning the Greek word Apocalypse to reveal to uncover and to unveil Who is God speaking to in the book of Revelation Are we living in the days that the book of Revelation is talking about The next greatest event on God s calendar is about to come to pass Prophecy is history written before hand Revelation is history in reverse This book is simply the effort to eliminate the fears and misunderstanding of the concept of the book of Revelation People say that the book of Revelation cannot be understood and in essence do not attempt to read it God meant for us to understand the book of Revelation and He had to have it written so that it would be applicable to the people four thousand years ago as well as the people of today When you are writing about something in the future events technology and things will change so you would have to write it in a way that it could be for all times It is called Revelation because God therein discovers those things which could have never been sifted out by the reasoning of human understanding These are the deep things of God which no man knows but the Spirit of God and those to whom He reveals them to I am a servant in the ministry of the Lord Jesus Christ I am deeply indebted to all who have laid the foundation before me I have sought to give credit to whom credit is due This book reflects the toils and tears of writers whose efficiency and eloquence have inspired me It is my desire and endeavor to inspire others to explore in the reading of the scriptures May the grace of our Lord and Savior Jesus Christ and the sweet communion of the Holy Spirit rule rest and abide from henceforth and forever more Amen Evangelist Linda

**God Does Not Want You To Go To Hell** Angelo Morales,2025-03-07 Every human being in this world has an expiration date meaning their death date No one knows when that is going to take place in their life That is why we should live each day like if it were our last day here on earth because the human race has violated the laws of life given to them by God Almighty the Creator of heaven and earth So much has happened since the beginning that only a small fraction of the whole world s population through the millennia has responded and understood how all this came to be while the rest of the world seems to be oblivious of their life here on earth who are unaware of that life in the spiritual world That is why most people in hell don t even know why they are there or that hell even exists because of their lack of knowledge of the scriptures God has been warning the people on earth of that life in spiritual hell People are not concerned or interested in knowing of that life in hell until they get there and by then it will be too late for them All those warnings about hell are written in the Bible God even went further and wrote this book for the ungodly in this world named God Does Not Want You to Go to Hell It is all up to you now whether you are going to hell or not Choose life in Jesus and you will bypass this place called hell forever

and if you don't this book will be a witness against you at your day of judgment in the spiritual world Now don't let this happen to you for you are living on borrowed time Accept Jesus as your Lord and Savior serve God faithfully and you will live and if not life and death is only a heartbeat away Here is the email address for this book and a PO Box address so I can receive letters from those who are saved by reading this book which is God's book choosejesusnothell yahoo com God's Books PO Box 44578 Brooklyn Ohio 44144

Fallon, 2018-03-01 Seventeenth century England teemed with speculation on body and its relation to soul Descartes dualist certainty was countered by materialisms whether mechanist or vitalist The most important and distinctive literary reflection of this ferment is John Milton's vitalist or animist materialism which underwrites the cosmic worlds of *Paradise Lost* In a time of philosophical upheaval and innovation Milton and an unusual collection of fascinating and diverse contemporary writers including John Donne Margaret Cavendish John Bunyan and Hester Pulter addressed the potency of the body now viewed not as a drag on the immaterial soul or a site of embarrassment but as an occasion for heroic striving and a vehicle of transcendence This collection addresses embodiment in relation to the immortal longings of early modern writers variously abetted by the new science print culture and the Copernican upheaval of the heavens
