

A landscape painting of a river at sunset. The river flows from the foreground towards the background, reflecting the warm orange and yellow light of the setting sun. The banks are covered in lush green grass and vegetation. In the distance, there are rolling hills and a large, dark tree on the right side. The overall mood is peaceful and serene.

Second Life A Collected Nonfiction:

A Voice from the River Dan Gerber, 2005-10-11 This novel is one of Dan Gerber's triumphs. From the author of *American Atlas*, *Out of Control*, and *Grass Fires*, Gerber's *A Voice From the River* followed *Grass Fires* to prominence on national bestseller lists. This novel once again affirms the Gerber's solid reputation for writing about the confrontation of the Spirit World and what some consider to be the Last of Days.

The End of Michelangelo Dan Gerber, 2022-10-11 Reading the poetry of Dan Gerber we are summoned to this larger truth. Though we live in fraught times on the tipping point of human self destruction, we and our planet are still very much alive. In one of his last sonnets, nearly five hundred years ago, Michelangelo Buonarroti confronted the paradox of our earthly existence: Why beauty mixed with terror feeds so strangely my desire. Reading *The End of Michelangelo*, we are similarly reminded that the very fact of being alive, experiencing our fleeting, fragile existence, is our only source of joy, our only avenue of consolation. These are poems that wake us up, revivify our desire to go on living despite our times, to counter our times. If poetry has a purpose, it may be exactly this. As T. H. White suggests, we can't save our world if we don't first savor it. Dan Gerber tenderly reels his readers through the beautiful movie he calls the passing of time on Earth in a language completely unadorned and Zen-like in its quietude. The thing itself carries the weight of these poems that recall the deep imagery of Vallejo, Neruda, and Wright's *Rain Taxi*.

Sailing through Cassiopeia Dan Gerber, 2013-04-23 Gerber has a gentle touch and an unaffected, articulate voice that can be smart, funny, wise, sometimes all at the same time. Library Journal: The thing itself carries the weight of Gerber's poems, which recall the deep imagery of Vallejo, Neruda, and Wright's *Rain Taxi*. Dan Gerber's mastery of layered imagery and crystalline vision marry European Romanticism with American Zen. These meditative poems engage the natural landscape of California's oak savannas and memories of childhood while calling upon an array of literary progenitors from Robinson, Jeffers, and Rainer Maria Rilke to the classics of the Chinese canon, exploring what it means to be linguistically alive in an animal world. As *ForeWord* magazine wrote, Dan Gerber's poems are quick, graceful, alert to their surroundings, and rarely wasting a motion. The Word is the Picture of Things. Looking down at the lights of Earth, its constellations of lives, however unaware, signal back to the watching galaxies that have their seeing inside us. I praised flight and got stuck. I praised gravity and got lost. Along the way, my life decays and ripens. Dan Gerber is the author of seven collections of poetry, three novels, a book of short stories, and two books of nonfiction. A former racecar driver, he has traveled extensively as a journalist, particularly in Africa. His books have earned a Michigan Author Award and the Mark Twain Award. He lives in Santa Ynez, California.

A Primer on Parallel Lives Dan Gerber, 2012-12-04 Dan Gerber tenderly reels his readers through the beautiful movie he calls the passing of time on earth in a language completely unadorned and Zen-like in its quietude. The thing itself carries the weight of these poems, which recall the deep imagery of Vallejo, Neruda, and Wright's *Rain Taxi*. Dan Gerber is a master of layered, bittersweet imagery. In his seventh book of poems, he writes of childhood misgivings and fears, the oak savannah landscape of California's central

coast and a near mystical relationship with nature As novelist John Nichols once wrote of Gerber s poetry Dan Gerber has an exquisitely muted yet profound understanding of tragedy love family and the haunting vagaries of nature Some Distance I wanted to be a stone in the field simply that and then I wanted to be the grass around it and then the cattle grazing under the too blue sky and then the blue which has of itself no substance and yet goes on and on and on Dan Gerber is the author of a dozen books of poetry fiction essays and memoir He has earned the Mark Twain Award Book of the Year honors from ForeWord Magazine and inclusion in The Best American Poetry He lives in Santa Ynez California Articles: New and Selected Poems Dan Gerber,2018-05-01 Gerber has a gentle touch and an unaffected articulate voice that can be smart funny wise sometimes all at the same time Library Journal Gerber is one of the most adept and accessible of the poets who explore the meaning of humans relation with earth and existence itself ForeWord Into a frenzied world that hurtles ever faster somewhere Dan Gerber s poetry offers a necessary and reflective presence Drawing upon eight previous collections and including a book length selection of new poems this retrospective tunes its senses to the natural world and a provenance that includes the influence of Buddhism English Romanticism and a deep reading of Rainer Maria Rilke s oeuvre Pastoral and expansive Gerber s poetry is concerned with the universe just outside each of our windows the immediately viewable landscape in front of us and the mysterious vastness beyond From Dark Matter The visible drapes itself around the invisible the way my jacket takes its shape from my shoulders An unseen gravity whirls near the center of our galaxy an unseen heart near the center of the bodies in which we desire I seldom think of Neptune out there way beyond my pointing to it on a summer night Dan Gerber is the author of eight collections of poetry three novels a book of short stories and two books of nonfiction A former professional race car driver he has traveled extensively as a journalist particularly in Africa He lives in Santa Ynez California **Making Poems** Todd F.
