"*Secret Assignments*" Kevin R. Illia, 2003-06-06 Have you ever wondered what its like to be an FBI Agent investigating a case and actually interviewing criminals or chasing terrorist in the Caribbean SECRET ASSIGNMENTS takes you there It is a humorous look at a dangerous job where not everything goes right and the criminals do not tell the truth In spite of all that happens agent man perseveres and accomplishes the mission Trying Hard Not To Believe? Carolyn Steger, 2023-04-12 This book was written in the hopes of strengthening the faith of believers and of presenting strong evidence to nonbelievers of the veracity of the Scriptures Over and over again the Bible has come under attack only to be vindicated And over and over again professing atheists have become strong believers in God after doing research with the very purpose of disproving the Scriptures I believe there is overwhelming evidence from various fields of study to support Christian beliefs This book could be valuable in helping teachers to address areas of doubt that students may have regarding the Scriptures The chapters could be used as individual lessons For nonbelievers the gospel message is for us to realize that we are sinners in need of a Savior and that Jesus the sinless Son of God provided the perfect sacrifice to pay for our sins on the cross By acknowledging this to God we are saved by grace The story of the prodigal son is a well known Bible story Really it is much more the story of the father than of the son It shows that if we repent and come to God he will run to meet us with open arms Instead of seeing God as someone with a spindly finger shaking at you I hope you will realize his great love for you and come to him He is just a prayer away We are all left with our own choice to make I hope you choose Jesus Business Secrets from the Bible Rabbi Daniel Lapin, Susan Lapin, 2024-04-30 Transform your finances by enhancing your relationships and your spiritual powers with this compelling new resource In the newly revised second edition of Business Secrets from the Bible Spiritual Success Strategies for Financial Abundance renowned keynote speaker consultant and advisor Rabbi Daniel Lapin delivers an inspiring and practical guide to achieving your financial goals by deploying timeless truths from the Bible In the book you ll explore the secrets of creating revenue using timeless spiritual strategies as well as concrete guidance on developing your self discipline integrity and moral strength The author explains how to develop the right financial and spiritual mindsets showing you effective Bible based strategies to improve your life and increase your bottom line You ll also find Brand new updates and revisions to the widely read original demonstrating how a focus on service and the wellbeing of others will be reflected in your own prosperity Hands on strategies for self transformation in the face of fear and uncertainty How to seed and nurture new relationships that become part of the tapestry of your exciting financial reality A must read resource for anyone interested in simultaneously getting closer to God and doing good by doing well Escalating the financial destiny of readers around the world Business Secrets from the Bible is the biblical spiritual and practical roadmap to prosperity that you have been waiting for Hidden Danger Jerusha Agen, 2021-11-08 The greatest threat to this K 9 team is the one they don t see coming Cora Isaksson s guilt has shadowed her life ever since drugs ensnared her brother and he disappeared

In Search of Radical Theology John D. Caputo, 2020-10-06 This sparkling collection of essays invites readers to join a seasoned scholar on his journey to catch radical theology in action both in the Church and our culture at large Capturing a career's worth of thought and erudition this rich volume treats readers to creative thought careful argumentation and sophisticated analysis transmitted through the lucid accessible prose that has earned the author a wide readership of academics and non academics alike In tackling radical theology John D Caputo has in mind the deeper stream that courses its way through various historical and confessional theologies upon which these theologies draw even while it disturbs them from within They are well served by this disturbance because it keeps them on their toes When we read about professional theologians losing their jobs in confessional institutions the chances are that by earnestly digging into what is going on in their tradition they have hit upon radical theological rock Unlike modernist dismissals of religion radical theology does not debunk but re-invents the theological tradition Radical theology Caputo says is a double deconstruction of supernatural theology on the one hand and of transcendental reason on the other and therefore of the settled distinctions between the religious and the secular Caputo also addresses the challenge for radical theology to earn a spot in the curriculum given that the radical makes it suspect among the confessional seminaries while the theology renders it suspect among university seminars Journeying from the academy to contemporary American culture *In Search of Radical Theology* includes a captivating presentation of radical political theology for the time of Trump This utterly unique volume not only brings readers on an enlightening tour of Caputo's thought but also invites us to accompany the author as he travels into intriguing new territories
