## Secret Knowledge Of Jesus:

**The Secret Knowledge of Jesus** Michael LaFond, 2025-03-17 Sometimes what we already know is the greatest obstacle to learning Christian spirituality is a perfect example of this The gospels do not just tell the story of Jesus They are masterful works designed to be read on many levels Perhaps the most important level is what St Paul called the spiritual Hidden in plain sight within the gospels and other early Christian writings are clear instructions for attaining spiritual power The Secret Knowledge of Jesus by Andreas lifts the veil from our eyes by approaching Jesus teachings from a new and different perspective This perspective however is only new and different to us because we have disregarded the practical aspects of our tradition transmitted through the apostles as secret knowledge The secret knowledge known as gnosis to the ancient Christians was the real emphasis of Jesus teachings reserved for those who could understand it Now it is available to those who practice *The Secret Knowledge of Jesus* Andreas, 2003-04 **Secrets and Democracy** L. Quill, 2014-03-11 *Secrets and Democracy* develops a new approach to understanding the centrality of secrecy to political life From the ancient world to the modern this book considers the growing importance of secrets the dilemmas this poses to conceptions of democracy and the challenges that collecting secrets poses to publicity and privacy in the network society Discipleship J.S Mauer, 2014-07-31 What does it look like for a twenty first century man or woman to follow Jesus a man who lived two thousand years ago This is the exact question asked by J S a Bible student at a Christian college J S and his brother embarked on a discipleship journey during which they practiced traditional spiritual disciplines and carried out intentional outreach every day What transpires is their joint discovery of what it means to follow Jesus today What they found is a call for discipleship a call for those living now to rededicate their lives to following the Risen Savior Join them on a journey of your own to rediscover the eternal Word of God Jesus Himself and what He says about discipleship What you find might surprise you and it might change your life *Stigma: the Rape of Faith* Antoine Nusmun, 2021-03-19 **STIGMA The Rape of Faith** is the story of a charmed and charming reprobate Theodore Roosevelt McGraw who is haunted by his past It is the late twentieth century and Teddy is immersed in a religious education whether he likes it or not As Teddy matures into manhood he eventually experiences a delayed recall of a violent episode that prompts him to embark down a determined path to achieve justice despite the Catholic Church s resistance Encounters with the divine and the demonic launch him on a journey into an otherworldly American past and further into the shrouded past of Old World atrocities What he discovers will test his resolve and courage against universal opposition to bring these atrocities to light The reader will be challenged as well to face outrages at the core of our culture and decide who or what truly bears the STIGMA **STIGMA The Rape of Faith** is a fictional expos of the Roman Catholic Church s historical and current handling of allegations of priestly sexual misconduct affecting minors in its care Antoine Nusmun is a classically trained independent scholar poet philosopher essayist and singer songwriter He has traveled widely and held a variety of positions but his lifelong interest has been the origins of man and his

religious practices Antoine lives in Cataloochee North Carolina with his wife Constance and a menagerie of faithful pets A transformational novel told with flashes of humor and outrage and steeped in southern atmospherics Stigma is thoroughly original and uses a timely theme as a fulcrum for a profound philosophical theological and historical rumination One could say it picks up where Spotlight left off Tom Sancton author of Song For My Fathers A New Orleans Story in Black and White

Jefferson's Secrets Andrew Burstein, 2006-03-21 Thomas Jefferson died on July 4 1826 leaving behind a series of mysteries that captured the imaginations of historical investigators an interest rekindled by the recent revelation that he fathered a child by Sally Hemmings a woman he legally owned yet there is still surprisingly little known about him as a man In Jefferson s Secrets Andrew Burstein focuses on Jefferson s last days to create an emotionally powerful portrait of the uncensored private citizen who was also a giant of a man Drawing on sources previous biographers have glossed over or missed entirely Burstein uncovers first and foremost how Jefferson confronted his own mortality and in doing so he reveals how he viewed his sexual choices Delving into Jefferson s soul Burstein lays bare the president s thoughts about his own legacy his predictions for American democracy and his feelings regarding women and religion The result is a moving and surprising work of history that sets a new standard post DNA for the next generation s reassessment of the most evocative and provocative of this country s founders

**Spiritual Gifts** Jennifer Anne Cox, 2018-01-18 Spiritual Gifts A Christ Centered Perspective is just that centered on Christ It provides a new perspective on spiritual gifts seeing the person and work of Christ as the foundation for the gifts of the Spirit The coming of Jesus into the world opens the way for the whole people of God to be indwelt by the Holy Spirit and to share in God s work in the world The book takes a broad New Testament approach to exploring the gifts carefully examining the meaning of the gifts by considering the Gospels Acts and the epistles The focus is on seeing each gift as an extension of what Jesus did in his ministry The gifts of the Spirit equip the church to carry on Jesus work Every gift is a means of proclaiming the gospel God gives his gifts with two purposes in mind to build the church by bringing people to Christ and to build up the church by maturing each believer Consequently Pentecostals Charismatics and conservative Christians alike must embrace spiritual gifts because God desires to transform the world through his equipped people

**Expositor and Current Anecdotes** ,1920 **The Deity of Christ** John MacArthur,2017-01-03 Almost two Millennia ago Jesus asked his disciples Who do you say that I am and people have been asking the question ever since Many answering the question today have a decidedly different view than Peter offered in his faithful response In the early days of the church Gnostics balked at Jesus humanity Today it s his divine nature that s under attack It seems almost monthly that new bestselling books appear detailing how alternative gospels portray an earthly Jesus devoid of divinity The Deity of Christ by John F MacArthur is a biblical defense of Jesus deity and a clarion call for believers to rise up and defend this core doctrine Both new and seasoned Christians will benefit from MacArthur s clear take on the relevant Bible passages They will come away with rock solid assurance that Jesus was indeed the unique son of God and a deeper more profound appreciation of Christ s love for them

*The Flat Earth Trilogy Book of Secrets II* Gregory Lessing Garrett,2019-04-18 Evidently NASA can see though millions of layers of stars and galaxies to get thousands of crystal clear shots of galaxies millions of light years away but they cannot take even ONE simple photo of Earth from the Moon s distance that is not CGI fakery NASA is merely a film production company with a huge budget and huge real rocket props We have ALL been indoctrinated by occult high masters

at NASA to the tune of 53 million dollars a day coming out of OUR Pay Checks to pay for their fake CGI rubbish When we stop and slow down and really really let it sink in the most accurate map of the Earth used by the United Nations is The Flat Earth Map They even outline the map with wheat stalks to symbolize Antarctica This is the groundbreaking story of The Flat Earth cover up The Who How and Why they did it story Why Are These Books in the Bible and Not Others? - Volume Three - The Apostolic Fathers and the New Testament Apocrypha Gary F. Zeolla, 2016 Christians claim the Bible is the Word of God that it is absolutely reliable in all that it teaches But to put such confidence in the Bible requires that we have the correct books in the Bible But do we This subject is very important and complicated so complicated it took three volumes to fully cover it Volume One studied the books included in the Old Testament OT and considered other books that could have been included but were not Volume Two covered the books included in the New Testament NT This third and final volume will consider other writings which are not in the NT They are of three types The first type is the writings of the Apostolic Fathers These are Church leaders and writers of the late first to mid second centuries Most were direct disciples of the apostles and some of their writings were seriously considered for inclusion in the NT It will be explained why this was so and why these writings were eventually rejected The second and third types are apocryphal books This term originally meant hidden but now means extra canonical meaning the books are not considered to be inspired by God and thus are outside of the canon list of authoritative books of Scripture These books are divided into two types ones that are mostly orthodox in their theology and ones that are heretical or Gnostic Among these apocryphal books are some that have received much publicity of late The media has been abuzz in recent years about books like the Gospel of Thomas the Gospel of Judas and the Gospel of Jesus Wife It is said these books present a radical new viewpoint of Christianity and are more reliable than the NT books In addition the conception many people have of early Christian history often comes from apocryphal books and not from NT books For instance at Christmastime the manner in which nativity scenes are displayed comes more from apocryphal infancy gospels than from the NT Gospels Therefore many people today will find a discussion of these books to be of interest The Missions of James, Peter, and Paul Bruce D. Chilton, Craig A. Evans, 2005-01-01 The Missions of James Peter and Paul investigates the nature diversity and relationship of three early and important expressions of Judaic Christianity It is the conviction of the contributors that the Judaic origins of the Christian movement have not been sufficiently understood in both ecclesiastical and academic circles Comparison with contemporary Judaism is foundational and leads to the question that guides discussion How did James relate to such prominent figures as Peter and Paul Given James own eminence those relationships must have been hallmarks of his own stance and status and they open the prospect that we might delineate James theological perspective more precisely than otherwise possible by means of this contrast with Peter and Paul That is the reason for the division of the present volume into two parts The Missions of James Peter and Paul is presented in two parts James and Peter and James Paul Several studies investigate the literary and archaeological evidence

that clarifies the world in which James Peter and Paul lived while other studies probe exegetical and theological aspects of the discussion     **Christ in you** Jane Fisher,1914     CHRISTIAN APOLOGISTS OF THE SECOND CENTURY Edward D.
