Secret Of Positive Praying:

The Secret of Positive Praying John R. Bisagno, 1986 **The Power of Positive Praying** John Bisagno, 2005-08 **The Power of Positive Praying** John R. Bisagno, 2015 Jesus was our model and teacher in prayer By His life and His lips our Lord's constant fellowship with the Father pointed to the necessity of ours But Jesus didn't pray merely as an example to us For thirty three years He lived as a man tempted in all points like as are we He prayed because He had to pray He prayed because He must In this 50th anniversary edition of *The Power of Positive Praying* Dr Bisagno expands this classic work with eight new chapters on prayer If the Son of God prioritized prayer how more must we And His prayers were answered as will be ours if like Him we pray in His Will in His Word and in Faith For that's the power of positive praying **Secrets of the Lost Mode of Prayer** Gregg Braden, 2010-08 There are beautiful and wild forces within us With these words the mystic St Francis described what ancient traditions believed was the most powerful force in the universe the power of prayer For more than 20 years Gregg Braden has searched for evidence of a forgotten form of prayer that was lost in the West following the biblical edits of the early Christian Church In the 1990's he found and documented this form of prayer still being used in the remote monasteries of central Tibet He also found it practiced in sacred rites throughout the high deserts of the American Southwest In this book Braden describes this ancient form of prayer that has no words or outward expressions Then for the first time in print he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs Through case histories and personal accounts Braden explores the wisdom of these timeless secrets and the power that awaits each of us just beyond our deepest hurt **You Can Change Your Times and Seasons Through Prayer** Reverend Samuel F.
