Theories Mark Fenster,1999 JFK Karl Marx the Pope Aristotle Onassis Queen Elizabeth II Howard Hughes Fox Mulder Bill Clinton all have been linked to vastly complicated global or even galactic intrigues In this enlightening tour of conspiracy theories Mark Fenster guides readers through this shadowy world and analyzes its complex role in American culture and politics Fenster argues that conspiracy theories are a form of popular political interpretation and contends that understanding how they circulate through mass culture helps us better understand our society as a whole To that end he discusses Richard Hofstadter s The Paranoid Style in American Politics the militia movement The X Files popular Christian apocalyptic thought and such artifacts of suspicion as The Turner Diaries the Illuminatus trilogy and the novels of Richard Condon Fenster analyzes the conspiracy community of radio shows magazine and book publishers Internet resources and role playing games that promote these theories In this world the very denial of a conspiracy s existence becomes proof that it exists and the truth is always out there He believes conspiracy theory has become a thrill for a bored subculture one characterized by its members reinterpretation of accepted history their deep cynicism about contemporary politics and their longing for a utopian future Fenster s progressive critique of conspiracy theories both recognizes the secrecy and inequities of power in contemporary politics and economics and works toward effective political engagement Probing conspiracy theory s tendencies toward scapegoating racism and fascism as well as Hofstadter s centrist acceptance of a postwar American consensus he advocates what conspiracy theory wants but cannot articulate a more inclusive engaging political culture

**Jack the Ripper's New Testament** Nigel Graddon, 2019-09-12 This book offers evidence for the first time that those responsible for the Whitechapel murders were members of a hit team associated with a centuries old European occult confederacy dedicated to human sacrifice This was first mooted by Jim Keith in his 1993 book *Secret and Suppressed* and then corroborated in the private papers of a Monsignor who carried out intelligence work for Pope Pius X in the run up to the outbreak of global conflict in 1914 The priest told of the existence of a Vatican based cabal of assassins known to its members by the maxim *Dead Men Carry No Tales* formed by the infamous Borgias that is in alliance with a Teuton occult group formed in the 9th century It was from within this unholy alliance that assassins travelled to London to carry out the Ripper murders to solve a sticky problem for the British Royal Family Keith's Vatican informant Part of the substantiation for

this evidence derives from Joseph Farrell in his recent Hess and the Penguins book for AUP The evidence also substantiates Keith s informant s astonishing claim that the assassins came together in a conference in Basle in 1897 to put the building blocks together for National Socialism and to prepare the blueprint for the Holocaust For the first time also the book substantiates a new line of research that suggests that the work of key figures from America and Britain within the nineteenth century s highly influential and richly funded Bible Revision movement was associated with the grisly events in London s East End during 1888 s Autumn of Terror Topics include Mr Splitfoot Whitechapel Martha HPB Polly The Occult Underground Dark Annie The Occult Establishment Long Liz The Lady with the Lilacs From Lilacs to Violets Mary Kelly Baconalia Rothschild s Bible Basle 1897 Through the Looking Glass more
