Painton, 1917      **The Secret History of Marvel Comics** Blake Bell, Michael J. Vassallo, 2013-11-16 The Secret History of Marvel Comics digs back to the 1930s when Marvel Comics wasn't just a comic book producing company Marvel Comics owner Martin Goodman had tentacles into a publishing world that might have made that era's conservative American parents lynch him on his front porch Marvel was but a small part of Goodman's publishing empire which had begun years before he published his first comic book Goodman mostly published lurid and sensationalistic story books known as pulps and magazines featuring sexually charged detective and romance short fiction and celebrity gossip scandal sheets And artists like Jack Kirby who was producing Captain America for eight year olds were simultaneously dipping their toes in both ponds The Secret History of Marvel Comics tells this parallel story of 1930s 40s Marvel Comics sharing offices with those Goodman publications not quite fit for children The book also features a comprehensive display of the artwork produced for Goodman's other enterprises by Marvel Comics artists such as Jack Kirby and Joe Simon Alex Schomburg Bill Everett Al Jaffee and Dan DeCarlo plus the very best pulp artists in the field including Norman Saunders John Walter Scott Hans Wesso L F Bjorklund and Marvel Comics 1 cover artist Frank R Paul Goodman's magazines also featured cover stories on celebrities such as Jackie Gleason Elizabeth Taylor Liberace and Sophia Loren as well as contributions from famous literary and social figures such as Isaac Asimov Theodore Sturgeon and L Ron Hubbard      *Mr Entertainment* Paula Fourie, 2022-09-01 In Mr Entertainment we hear the voices of the people who knew Taliep Petersen best his family friends and collaborators Their stories bring to life the spaces he inhabited vividly recounting scenes from his childhood his rise to fame from the Cape Coon Carnival stage to the West End his artistic collaborations most notably with David Kramer his family life and his tragic death and its aftermath In this pioneering biography of one of Cape Town's most beloved entertainers we encounter Petersen as a complex and many sided personality whose influence continues to reverberate in national life Mr Entertainment evokes not just Taliep's life but

also the music and entertainment landscapes of the 1950s to 2000s and their diverse and irrepressible cultural traditions. Along the way it brings us to the front row of South Africa's difficult history. Drawing on the musician's personal archive and on more than fifty interviews conducted over a decade, Paula Fourie has pieced together a fascinating portrait of Taliep Petersen acutely observed and poignantly captured. **There She Goes Again** Aviva Dove-Viebahn, 2023-12-15. *There She Goes Again* interrogates the representation of ostensibly powerful women in transmedia franchises, examining how presumed feminine traits—love, empathy, altruism, diplomacy—are alternately lauded and repudiated as possibilities for effecting long-lasting social change. By questioning how these franchises reimagine their protagonists over time, the book reflects on the role that gendered exceptionalism plays in social and political action, as well as what forms of knowledge and power are presumed distinctly feminine. The franchises explored in this book illustrate the ambivalent post-feminist representation of women protagonists as uniquely gifted in ways both gendered and seemingly ungendered, and yet inherently bound to expressions of their femininity. At heart, *There She Goes Again* asks under what terms and in what contexts women protagonists are imagined, envisioned, embodied, and replicated in media. Especially now, in a period of gradually increasing representation, women protagonists demonstrate the importance of considering how we should define and whether we need feminine forms of knowledge and power.
