Secret Of Guidance:

The Secret of Guidance F.B. Meyer, 2010-05-13 F B Meyer writes The grace of purity and self control of fervent prayer and understanding in the Scriptures of love for men and zeal for God of lowliness and meekness of gentleness and goodness all is in Christ and if Christ is in us all is ours also F B Meyer was a contemporary and friend of D L Moody who was also a pioneer in the field of inner city missions work Drawing constantly on Scripture in this book Meyer exhorts us to seek after God s best for our lives by examining our inner motives understanding Christ s role in our present day and then examining how we ought to then bear up underneath the secret of God s guidance *The Secret of Guidance* Frederick Meyer, 2015-01-20 How are Christians to walk in faith What are we to do with our lives How do we follow Jesus These are just a few of the many questions Christians often ask And in this practical book on guidance F B Meyer tackles these all important questions and more to help us so that we might know the way in which our Father would have us walk and the work He would have us do to live God centered lives *The Secret of Guidance* F. Meyer, 2018-10-24 How much of our Christian work has been abortive because we have persisted in initiating it for ourselves instead of ascertaining what God was doing and where He required our presence We dream bright dreams of success We try to command it We call to our aid all kinds of expedients questionable or otherwise At last we turn back disheartened and ashamed like children who are torn and scratched by the brambles and soiled by the quagmire None of this had come about if only we had been from the first under God s unerring guidance He might test us but He could not allow us to mistake F B Meyer 1847 1929 *The Secret of Guidance* Frederick Brotherton Meyer, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1896 edition Excerpt CHAPTER I X The Fulness Of The Spirit Be Filled with the Spirit Ephesians T 18 Nothing can compensate the Church or the individual Christian for the lack of the Holy Spirit What the full stream is to the mill wheel that the Holy Spirit is to the Church What the principle of life is to the body that the Holy Spirit is to the individual We shall stand powerless and abashed in the presence of our difficulties and our foes until we learn what He can be as a mighty tide of love and power in the hearts of His saints Amongst the readers of these lines there may be many who are suffering from different forms of spiritual weakness all of which are directly attributable to the lack of the Holy Spirit Not that they are completely destitute of Him for if they were they would not be Christians at all but that being within them He is present only as an attenuated thread a silver streak a shallow brook Why should we be content with this The Pentecostal fulness the enduement of power the baptism of fire are all within our reach Let us be inspired with a holy ambition to get all that our God is willing to bestow It is not difficult to point this contrast by analogies drawn from the Word of God May we not reverently say that the ministry of our blessed Lord Himself owed much of its marvelous power to that moment when although filled with the Holy Spirit from His birth He was afresh anointed at the waters of baptism With marked emphasis it was said He was filled with the Spirit
