SECRET WARS PICTURE BOOK

This adventure is very... (text continues)

Because of the complexity of this adventure, and the huge task, it is highly recommended that you familiarize yourself with these books before beginning play. It is not necessary for you to know the powers of all the combatants by heart, but it will help if you know where to find the listing of events and descriptions of the combatants within this book.

Once you are familiar with the material, read the boxed section on Page 2 for an introduction to the players, then plunge into *Phantom Eyes* 1 and 2, "A Matter of Magnets" and "First Blood." From there prepare to go in any direction the players and events take you. The Secret Wars have begun.
