estrategias y decisiones que moldearon el panorama político de la época imprimiéndole un cambio profundo e irreversible que sus sucesores aplicaron en la práctica. A través de diálogos con personalidades importantes de la época e intercalando anécdotas que alivian la profundidad del relato destaca su papel en la Refundación Popular subrayando su trascendencia en el devenir de la derecha española. Para Hernández Mancha el Partido Popular no puede ser el ave del mal agero que solo entona su lamento en los atardeceres sombríos de las exequias de España. Hernández Mancha nos hace partícipe de sus ideas orteguianas sobre la necesidad de intercalar entre el Estado y los municipios la comunidad autónoma como institución regional. Su ruptura con figuras internacionales de la talla de Margaret Thatcher desafiando el statu quo nos conduce a sus debates con líderes como Felipe González y Adolfo Suárez y las disputas dentro de su propio partido para convencer a todos de la necesidad del cambio de una derecha de adusta elegancia aparente a otra moderna y sin anclajes reaccionarios. Conservador revolucionario y visionario audaz observó un profundo silencio al desaparecer de la escena política que rompe ahora después de más de tres décadas con el libro que tiene en su mano **Multitemas humorísticos** César V.

**Un equipo ganador** Andrés Panasiuk, 2021-09-28 Muchas parejas tienen serios problemas de disfunción especialmente en el área del manejo del dinero. Pero en medio de tanto estrés y división hay esperanza. En *Un equipo ganador* el consejero economista y autor best seller Dr. Andrés Panasiuk muestra que hay otro camino hacia la salud financiera y cómo ser un equipo ganador. Nadie se casa para divorciarse. Sin embargo esa es la triste realidad para el 50% de las parejas que hoy en día se comprometen a apoyarse y amarse hasta que las deudas los separen. El alto nivel de acumulación de deudas desde finales de la década de 1990 y la liberalización del sector financiero han creado una situación en la que las parejas inician sus matrimonios con niveles muy altos de tensión financiera. Los altos niveles de estrés conducen a peleas, mentiras, egocentrismo, abuso verbal y emocional y finalmente a la erosión de la relación de pareja. En este libro el Dr. Andrés Panasiuk nos muestra cómo crear una cultura con la cual juega un papel muy importante en prevenir la división de la vida financiera de la pareja. Tomar un rol adecuado que es favorable para colaborar y no competir el uno con el otro. Hacer un fuerte compromiso para tomar control de la vida financiera trayendo paz y orden a la economía familiar. Tener un profundo entendimiento por parte de ambos del ser y el hacer del dinero. Desarrollar un marco filosófico apropiado para manejar exitosamente el dinero. Aplicar principios y valores al proceso de toma de decisiones financieras a nivel personal y familiar. En medio de tanto dolor hay esperanza, hay otra manera de hacer las cosas. Existe un camino probado hacia la salud financiera y la prosperidad integral. Hay un camino hacia la colaboración en lugar de la rivalidad, la sabiduría en lugar del mero conocimiento. Hay una forma de intercambiar energía por sinergia en nuestras vidas financieras y esto es justamente de lo que se trata este libro: de construir un exitoso equipo financiero en casa. *A Winning Team*. Many couples have serious dysfunctional problems especially in the area of money management. But in the midst of so much stress and division there is hope. In *A Winning Team* counselor

economist and best selling author Dr Andr s Panasiuk shows that there is another path to financial health and how to be a winning team Although no one gets married to get a divorce However that is the sad reality for the 50% of couples today who are committed to supporting and loving each other until the chips are down The high level of debt accumulation since the late 1990s and the liberalization of the financial sector have created a situation where couples start their marriages with very high levels of financial stress The high levels of stress lead to fighting lying self centeredness verbal and emotional abuse and eventually the erosion of the couple s relationship In this book Dr Panasiuk shows us how Create a common culture which plays a very important role in preventing the division of the couple s financial life Take an appropriate role that is collaborative and not competitive with each other Have a deep understanding by both of the being and doing of money Develop an appropriate philosophical framework to successfully manage money During so much pain there is hope There is a proven path to financial health and integral prosperity There is a path to collaboration in place of competition wisdom instead of mere knowledge
