Secrets for Living Happily Norma Cowie,1993 Fasting And Meditation To Live Happily Pham, Chinh

Van,2008-09-09 The Lord pointed out to me the number 111 in a special way I have testified about this in this book and how it led me to the three purposes of the Church which are evangelism worship and spiritual growth I do this through 3 chapters in the Bible They are Psalm 111 Psalm 112 and 1 Corinthians 13 I have also added an important chapter on the Holy Spirit because of so much misunderstandings about spirits I conclude with a look at Psalm 110 which tells us what s going on now and what is coming in the future I explain in the introduction my purpose for writing this book which is to raise money for the Castle Theatre Ministry of my daughter s family If anyone would like to donate directly to this ministry please send to Castle Theatre Ministry P O Box 201 Dearing Kansas 67340 It is tax deductible and they will send you a receipt The Lord laid on my heart to introduce him also to those who have not fully been introduced to Him I did this in Act 2 in this book I hope you are inspired by this writing as much as I have been SECRET OF HAPPY LIFE SARDAR PARAMJIT SINGH,2012-11-25 Today every person lives a life which is full of stress and tension Most of the people feel miserable helpless and worthless which leads them to utter disappointment and frustration Sometimes it urges them to commit suicide As a result they do so in order to get rid of it Here in this book some ways and methods are suggested which may enable a person to lead a tension free and stress free life If you want that your life should be full of joys merriments and pleasures then you should have to bring some changes in your personal life For that purpose you will have to give up your bad habits For that purpose you will have to adopt some good habits qualities and merits in your real actual or practical life We should always remember that thing that only a person makes himself or herself as a good or bad person No other person can do anything regarding that Therefore all of us should try to make such kind of efforts with the help of which we may be able to live happily and at the same time we should make efforts to make the other people to live happily We should endeavor that our life should be a source of inspiration for other people We should become an ideal example for others We should always have good feelings and noble thoughts for ourselves but it is a matter of greatness if we shall have good feelings and benign thoughts for other people too
