**Secrets in the Snow** Michaela MacColl, 2016-10-04 MacColl's fidelity to Austen's biography and family with a bit of creative license woven in results in a charming historical mystery. School Library Journal Jane Austen's family is eager to secure her future by marrying her off. But Jane is much more interested in writing her novels and finds every suitor lacking until the mysterious Mr Lefroy arrives. Could he be the one? Before Jane can find out she must solve a murder, clear her family's name and face a decision that might cost her true love. Praise for writing of Michaela MacColl: Equal parts gothic melodrama and Nancy Drew derring-do. Kirkus Reviews Dynamic and engrossing. Booklist The fast moving plot makes this a well-crafted page-turner. School Library Journal starred review. MacColl takes a character that most people do not really know much about and brings her to life. Fun, interesting reading. VOYA Voice of Youth Advocates [Secrets in the Snow & Other Christmas Crime Stories](#) Matthew Booth, 2025-09-04 Crime doesn't stop for the holidays as this anthology of gripping Christmas mysteries shows with its baffling robberies, mysterious deaths and family gatherings that go terribly wrong. When snow falls and darkness comes early it's the perfect setting for murder and intrigue. And when family and friends gather in country houses for jolly festivities they're certainly not expecting guests and priceless jewellery to go missing. But it's fertile ground for classic crime writers such as Arthur Conan Doyle, G. K. Chesterton and Dorothy L. Sayers who amongst others are showcased in this nail-biting collection. Part of the Macmillan Collector's Library, a series of stunning cloth-bound pocket-sized classics with gold-foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. The stories in **Secrets in the Snow** and **Other Christmas Crime Stories** have been selected and introduced by writer Matthew Booth. **Secrets in the Snow** Jane Hinchman, 1991 **Secrets in Psychotherapy** Kathryn Zerbe, 2025-04-01 This book brings together contemporary perspectives from psychodynamic treatment, advances in cognitive science, medicine and neuroscience in a user-friendly format guiding practitioners from beginner to more advanced practitioner in working with secrets that emerge during psychotherapy. Despite their ubiquity in life and in clinical practice, secrets and secret-keeping receive limited attention in the training and skill set required for mental health clinicians. Drawing on personal experience and clinical expertise as well as film, memoir and literature, Dr Kathryn Zerbe shares how secrets come to light in both life and treatment, demonstrating the powerful hold that secrets can have on our lives. This book offers a fresh take on how we view our secrets and how we can use them as a tool to sustain our most intimate and valued connections over the course of a lifetime. Using cutting-edge research as well as honed clinical expertise, the author suggests how one might go about managing the secrets of everyday living that we must keep as well as how we can identify which we can let go. Particular attention is paid to the mind-body relationship and somatic countertransference reactions. Each chapter suggests guidelines to promote wellness and resilience in the secret-keeper, whether that be the psychotherapist or their patient. Written with compassion and in a user-friendly style, **Secrets in Psychotherapy** will benefit anyone who is navigating the
