Swiercinsky,2002 Life changing traumatic brain injury can be a devastating and frustrating experience for an individual and his or her family Or brain injury can be a significant yet not catastrophic event that sets the stage for

discovering what it means to become normal once more Normal Again Redefining Life with Brain Injury combines professional neuropsychological information alongside first person accounts of the brain injury experience and the satisfactions of growing from it The book provides insights for conquering the cognitive and emotional consequences of brain injury for individuals and families as well as for educators therapists and medical professionals The experience of brain injury does not have to be permanently dark and lonely Instead through an examination of personal values the affirmation of hope an on going appraisal of realistic expectations and application of specific rehabilitation strategies life can once again have meaning joy and contentment Normal Again focuses on a compassionate understanding of the personal experience of brain injury with medical and psychological detail sufficient for gaining a basic understanding of brain injury This is complemented with practical information about psychological family and vocational adjustments and how to accomplish them necessary for going beyond the usual scope of brain injury rehabilitation

The Laws and Secrets of Success Alex Hammer, 2013-10-02

The Laws and Secrets of Success recently published and already an Amazon bestseller has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers among the top 100 reviewers on all of Amazon Very very highly recommend this UNIQUE book it is the best book regarding how to be successful that I have ever read Daisy S TOP 10 AMAZON HALL OF FAME REVIEWER The power of his intuitions is infectious Grady Harp TOP 50 AMAZON HALL OF FAME REVIEWER This is one of those books where you will want to underline something important on each page This is one of the most important books I have read in 2013 Rebecca of Amazon TOP 100 AMAZON HALL OF FAME REVIEWER About this book This book is written in the style of the great Napoleon Hill Think about this With all of the success books out there why don t we have more successful people Too many success books simply rehash conventional wisdom The truly great success books such as Napoleon Hill s Think and Grow Rich instead enable life changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world s most successful individuals The only way to do this is to study the world s most successful individuals as Napoleon Hill has done And as I have done as well For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields so that I could see and learn for myself the principles which set them apart in terms of their success And that is what I share with you here Get ready to throw out many of the things that you thought you knew about success Let s start at the beginning with a simple truth Success is hard Very hard Very very very very hard We all know that once we have had a little bit of experience and are honest with ourselves We all want to be more successful but let s face it sometimes we just don t know how It s because as they say we don t know what we don t know So we make the same mistakes over and over again often without fully realizing it until later And then we blame ourselves or others in regard to why things didn t turn out as we had hoped or planned It s this simple If you want to increase your level of success read this book We all go through the same struggles This book simply but powerfully is your instruction manual on how to overcome them Read this book and in 60 days you won t

even recognize the person you used to be And neither will your family and friends This is the type of change that allows you to get the things you really want in life The things previously outside your reach The things you saw others gain and achieve but never seemed to be able to get for yourself That can change today We all know that a few better ideas can accelerate one's success substantially Successful people take their better ideas and know how to leverage them further and execute them better than other people do Once you understand the processes that successful people utilize to do this you can very quickly ramp up your own success as well Everybody struggles Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals Success breeds confidence making it easier over time If you don't want to keep making the same mistakes over and over and over again you need to understand and understand well what these success principles are That is what this book provides to you The Key Principles to Live a Happy, Healthy and Successful Life D Livingstone M,2011-10 This book gives you the key principles that if you read understand and apply your life will change and you will be on your way to achieving your dreams and goals in life such as the much desired success in life Anybody can make it in life if they make the necessary changes and follow a proven set of principles of success as illustrated in this book This book also reveals the secrets and the principles to successfully overcome adversities and negative situations in life Such adversities in life may include obesity The challenges to the body caused by obesity are great The challenges vary from being simple day to day difficulties to more complex and serious ones that could be debilitating life threatening and even fatal health conditions This book explains both the cause and the challenges of obesity This book also gives you the necessary information and resources you need to succeed in life by losing weight and keeping it off as well as how to live a happy healthy and successful life Secrets of Outstanding Persons Eresia-Eke Kudo Ph.D,2013-02-21 Secrets of Outstanding Persons shares simple but hidden secrets of happy people great leaders and influencers and even secrets of the best students in every class It reveals in a simple conversational style deep secrets of the most outstanding and joyous people in every society It delivers with sweet ease and brevity what many authors would convey in voluminous and complicated books The book provides invaluable information in an extraordinary conversational form which gives the reader a powerful sense of interactivity It entertains and enlightens as it massages timeless nuggets of wisdom into the hearts and minds of the reader Its use of anecdotes and in some cases examples from true life events make the reading compelling and utterly engaging Secrets of Outstanding Persons combines uncanny and uncommon wisdom with the masterful talents of a fantastic story teller The wonderful values which the book conveys sets it apart as a collector's item and a reference resource that can be re read with ever new harvests of meaning and wisdom each time Looking for ways of being that outstanding person you always wanted to be It is right in your hands The true value of Secrets of Outstanding Persons is beyond estimate Anyone who loves wisdom greatness success and joy would find it a great companion Like the wisdom it contains it is a timeless treasure
