Swedenborg,2008 The first volume of Secrets of Heaven Swedenborg s magnum opus offers a unique insight into the spiritual message of the Bible Opening with the creation story Swedenborg describes how each step in the process relates to our growth and development as spiritual people He traces the inner history of the peoples described in the Bible and connects their story to our own trials and tribulations showing how the Flood represents the spiritual devastation that urges us to begin our regeneration

**Secrets from Heaven: Hidden Treasure of Faith in the Parables and Conversations of Jesus** Fr Sebastian Walshe,2020-05 The greatest teacher who ever lived Jesus knew how to reach his audience where they were at Whether preaching to a group in parable or holding an intimate conversation he had an unequalled ability to get across the message that his listeners needed to hear His teachings in the Gospels speak no less directly to us today But so rich in meaning are the words of our incarnate God so layered and profound his messages that often we fail to do more than scratch their surface And over time our habit of superficial encounter with the Word can become self perpetuating In Secrets from Heaven Fr Sebastian Walshe helps you break free from stale and familiar takes on the Gospel giving you new eyes to see and new ears to hear the inexhaustible depths of Christ s wisdom The Parable of the Sowers the Good Samaritan the Prodigal Son the woman caught in adultery all these and more come alive in fresh ways revealing significant details and nuances scriptural historical connections and testaments to Christ s rhetorical and pedagogical genius that you ve never noted before You ll marvel at Jesus skill as an evangelist but more importantly you ll be powerfully moved to faith and love just as those who heard him in person long ago Nothing Jesus taught was truly secret he revealed the Father for all the world to see But that doesn t mean his revelation is simplistic Read Secrets from Heaven and go deeper into the saving mysteries of his life and words
