make more cold calls eventually their growth will stall or slow to a trickle And they ll have an increasingly tough time attracting and keeping talented people like you See Chapter 10 If you don t work for someone who invests in lead generation it s okay don t panic You can learn how to generate your own leads and develop valuable skills that will turn you into a selling assassin for the rest of your life and reading this book is a good start See Chapter 11 Also you will discover at least one new book I mentioned several that had a big impact on me that will end up having a big impact on your future See Chapter 20 Just imagine you will go from cold calling to following up or responding to client inquiries While also positioning yourself as not just another salesperson but as an authority in your field You will not spend any of your precious time prospecting rather you will be implementing and testing different marketing campaigns And most importantly you will have more time to dazzle those clients already willing to meet with you and existing customers which represents your greatest source of growth and profit **Wisdom's Call** Sutton Elbert Griggs,1911 Fundraising Strategies for Community Colleges Steve
