Secrets Of Prayer:

Secrets of Prayer Andrew Murray, 2001 Gleanings on the Christian's prayer life from the great South African theologian Andrew Murray. This book is the script from Barbour's Christian Audio Classics cassette *The Best of Andrew Murray on Prayer* which was condensed from the full length journal by the same title *The Lost Secrets of Prayer* Guy Finley, 1998. Daily life often pulls us outward into a world of position, possessions and pleasure. This reality is often reflected in our prayers. We ask for what we think is lacking in our lives and are gravely disappointed when our prayers are not answered. Renowned author Guy Finley teaches us that true prayer is meant to bring us to a point of understanding that everything we need is already here. Master Secrets Of Prayer Cameron V. Thompson, 1959 **15 Secrets of Prayer Warriors** Robert A. Avila, 2021-11-17. Prayer is a key interface with God. Many Christians will not pray for a friend. They think the matter is too small for prayer. They think prayer is for conquering attacks from spirits of cancer, tuberculosis and death. They use prayer at the big moments but not the small. Christians turn to God during major life trials. And they should. However, they should also turn to God for things considered minor or inconsequential. Nothing is too big or too small for God. Do you want to pray and make a difference? If you want to see greater results from your prayers, this book is for you. Not every prayer is equal. Why do some prayers have bigger impact than others? Here are 15 secrets that empower prayers of all types, from new understandings to salvation of loved ones. Veteran prayer warriors learn prayer magnification techniques from scripture and from the Holy Spirit. They learn too from trial and error. The secrets in this book are proven. Following the methods in this book, you will make breakthroughs in becoming a prayer warrior, develop effective prayer habits, and recognize when spiritual warfare is taking place and respond to win. Many testimonies of these techniques are included. These prayer secrets are used by pastors, mothers, soldiers, and people in all walks of life. Bonus book: *A Vision How to Draw Near to God*. The Holy Spirit explains the three types of Christians and how to identify which you are and how to elevate from one class to the next. Pray or be defeated. Secrets of a Prayer Warrior Derek Prince, 2009-05-01. One of the most personal and powerful acts a Christian can engage in is prayer. Yet many believers struggle with their prayer lives, wondering whether they are really making a difference and how they can be more effective. Delving deep into the biblical understanding of prayer, beloved author and leader Derek Prince shows readers the secret to leading a dynamic prayer life: how to receive what they ask for and how to align themselves with the heart of God. Practical strategies like fasting, biblical study, discipline, and consistency are extensively explained and illustrated by powerful testimonies. This is a life-changing book. *Secret Prayer* Handley Carr Glyn Moule, 1895 Successful Life with Perfect Prayer Victor Bodo, 2008. Can you imagine that you can pray without any doubts and all your prayers come true? You are just like God; you create the reality in which you live with your strongest thoughts and emotions. The Lord Himself gave you this power as a gift meant to assure your happiness. **How to Pray** Evangelist Leon Kabasele, 2012-11. My first book *Jesus Christ Is My God* explains that in this world we are not alone. Your family may abandon

you your husband or wife or boyfriend or girlfriend may forsake you but Jesus Christ will never let you go Even on a hospital bed he will be there with you My second book Spiritual Development is about how you can develop both spiritually and physically The book discusses all sixteen chapters of the book of Romans especially as it connects to your life today The book also discusses the book of Philemon Those two books analyse biblical passages from Jewish and Christian versions of the Holy Book I have a keen eye for etymology and offer finely detailed explanations of many of the original Hebrew and Greek terms in the Bible My third book Christian Philosophy Understanding Racial Oppression discusses Christian philosophy and the ideology of colonisation The book discusses many Christian issues including creation and how this world functions and reveals many top secrets The book was written with my understanding of Christian philosophy in this modern time The book does not reveal private secrets but exposes some important things This book How to Pray The 12 Top Secrets of Prayer and Concentration can help in good prayer orientation It develops the way that we think of prayer I discuss the prayer in terms of concentration how people can start their prayers and how the prayers should end In today s world many issues need to be prayed about before making decisions Sometimes people make decisions without consulting God and many decisions and laws fail due to this bad orientation *Prayer Secrets* Marcus Tankard,2016-01-14 In *Prayer Secrets* Marcus Tankard uses scripture and powerful illustrations from his own prayer life to explain and simplify what it means to pray and get answers This comprehensive examination of prayer discusses topics such as Why is prayer important How do you pray for ministers What does it mean to pray in the Spirit What is faith and how does it relate to prayer How did Paul teach believers to pray for their nation What does it mean to be an intercessor Why is corporate prayer so important
