through anonymous notes sometimes slipped into pockets and sometimes left in people's homes during the night. Since nothing is damaged or taken and there's no sign of a break in, no one has reported these incidents to the police so they aren't involved but that doesn't stop Lexie from investigating. Informing people about affairs, backstabbing and workplace politics stirs up strife and the fact that the Santa sometimes also leaves gifts that fulfill unspoken needs doesn't help Lexie's not sure she believes in Santa but someone who knows secrets good and bad and who can slip into homes during the night sounds a lot like St Nick. Busting Santa might put Lexie on the Naughty list but she feels she has to save the holiday celebration before the bad vibe drives the tourists away and before her own secrets are revealed. *The Educator-journal*, 1907
