

# SHACKLETON'S BOAT JOURNEY

F.A. WORSLEY

*"A breathtaking story of courage under the most  
appalling conditions"* EDMUND HILLARY

# Shackletons Boat Journey

**Frank Arthur Worsley**

## **Shackleton's Boat Journey:**

*Shackleton's Boat Journey* Frank Arthur Worsley, 1998 Captain Worsley offers a firsthand account of his incredible Antarctic adventure the astounding and inspiring true story behind the forthcoming Wolfgang Petersen film *Endurance* On its way to the Antarctic continent in 1915 the *Endurance* became trapped and then crushed by ice stranding ship's party of 28 on an ice floe for five months before their rescue

**Shackleton's Boat Journey** Frank Arthur Worsley, 1999 Frank A Worsley was the Captain of the H M S *Endurance* the ship used by the legendary explorer Sir Ernest Shackleton in his 1914-16 expedition to the Antarctic On its way to the Antarctic continent the *Endurance* became trapped and then crushed by ice and the ship's party of twenty eight drifted in an ice floe for five months Finally reaching an uninhabited island Shackleton Worsley and four others sailed eight hundred miles in a small boat to the island of South Georgia an astounding feat of navigation and courage All hands survived this ill fated expedition as Worsley writes By self sacrifice and throwing his own life into the balance Shackleton saved every one of his men although at times it looked unlikely that one could be saved A remarkable book Worsley writes without heroics but makes us feel to the marrow the conditions that the party endured before all hands were rescued *New Yorker*

Shackleton's Boat Journey Frank Arthur Worsley, 2004-04 A remarkable journey of the 1914 Antarctic expedition trapped when their ship gets stuck in pack ice Second edition updated with historical introduction and maps The crew camps on ice floes floating north for five months until a small group including the author can sail in a lifeboat to get help Despite the hardships not a single man was lost

**Shackleton's Boat Journey** Frank Arthur Worsley, 1996-10-01 Shackleton's Boat Journey F.A. Commander Worsley, 1931 Shackleton's Boat Harding McGregor Dunnett, 2015-08-24 The *James Caird* is an unlikely hero a 23 foot lifeboat that completed the most desperate and celebrated open boat voyage in history On board were Ernest Shackleton Tom Crean and Frank Worsley now some of the most recognised names in Antarctic and Polar literature history This is the story of that little boat from its commissioning by Worsley to its dramatic escape from Antarctica to its final resting place at Dulwich College in the UK Shackleton's Boat is a worthy memorial to a vessel famous in maritime history and a story whose heroism has inspired generations Similar to Tom Crean An Unsung Hero Captain Francis Crozier *Last Man Standing* and *Seek the Frozen Lands*

**Shackleton's Boat Journey** J R Piggott, 1996 The Great Antarctic Rescue Frank Arthur Worsley, 1977 1914-16 Shackleton expedition Account by the ship's captain of how the crew shipwrecked for 14 months on the pack ice survived

**Shipwreck at the Bottom of the World** Jennifer Armstrong, 2000-09-12 The extraordinary true story behind Ernest Shackleton's harrowing expedition to Antarctica on the *Endurance* the ill fated ship that became trapped in ice and sank to the ocean floor Defying the odds the crew made it back alive bringing with them the astounding collection of photographs included in this critically acclaimed timeless book In August 1914 Ernest Shackleton and his crew sailed from England on the *Endurance* in an attempt to become the first team of explorers to cross Antarctica from one side to the other Five months

later and still 100 miles from land their ship Endurance became trapped in ice Defying the odds the expedition survived another five months camping on ice floes followed by a perilous journey through stormy seas to remote and unvisited Elephant Island In a dramatic climax to this amazing survival story Shackleton and five others navigated 800 miles of treacherous open ocean in a 20 foot boat to fetch a rescue ship Shipwreck at the Bottom of the World vividly re creates one of the most fascinating adventure stories in history Award winning author Jennifer Armstrong recounts one of the most extraordinary adventure stories in history with vigor an eye for detail and an appreciation of the marvelous leadership of Shackleton who brought home every single one of his men alive      Shackleton's boat journey. Introduction and notes by Duncan Carse Frank Arthur WORSLEY,Duncan CARSE,Sir Ernest Henry Shackleton,1974      SHACKLETON'S BOAT JOURNEY. NARRATIVE INTROD.BY SIR EDMUND HILLARY. F.A. Worsley,1977      **Trapped by the Ice!** Michael McCurdy,2002-05-01 Describes the events of the 1914 Shackleton Antarctic expedition when after being trapped in a frozen sea for nine months the Endurance was crushed creating the need to travel across the ocean to safety      **Shackleton's Captain** John Thomson,1999 Frank Worsley shared with Sir Ernest Shackleton one of the greatest adventures of the Heroic Age of Antarctic exploration After their ship Endurance was crushed in the ice in 1915 they made what is perhaps the most famous small boat journey in history across 800 miles of the world s roughest seas to get help Worsley s diaries and notes still provide the main records of that journey yet the fame of Shackleton rather overshadowed the modest New Zealander This first ever biography of Worsley sets out to restore the balance It tells the full story of his extraordinary life from childhood as a larrikin in Akaroa New Zealand to his apprenticeship at sea and the development of his remarkable skills as navigator and sailing master It also backgrounds the particular friendship that flourished between Worsley and Shackleton In an age of mass communications Frank Worsley would have been a public figure as famous as Sir Edmund Hillary This biography gives an unhallowed yet eminent New Zealander his proper place in history      *Shackleton's Epic* Tim Jarvis,2015-08-01 A new edition to mark the centenary Ernest Shackleton s epic 1916 journey across 1300 kms of hostile ocean in a tiny leaking boat and unmapped ice and snow to reach a rescue station by British Australian explorer Tim Jarvis who recreated Shackleton s Epic in 2012 Sir Edmund Hillary called it the greatest survival story of all time In 1916 just months into Ernest Shackleton s third expedition to the South Pole his ship the Endurance became trapped in pack ice and sank With winter setting in and supplies running out Shackleton faced a terrible quandary should he and his crew stay on a tiny inhospitable stretch of Antarctic island and die waiting Or should they make an almost certainly doomed journey and sail in a lifeboat across 900 miles of the world s wildest ocean then trek over unmapped glaciers to reach help Showing astonishing courage Shackleton and a small band of men set off in an open boat Even more astonishingly they survived Almost a century later explorer and environmental scientist Tim Jarvis set out with a crew of five to replicate Shackleton s journey using the same equipment eating the same unpalatable food and facing the same hostile ocean conditions Shackleton

s Epic is the story of that trip the wretched lows and the occasional highs and the mental and physical toughness required to survive in one of the last wildernesses on earth Moving between the past and the present this is a must read book for all Shackleton fans and lovers of epic adventure Jarvis s tribute to Ernest Shackleton s Antarctic expedition had had a danger and heroism worthy of the original GUARDIAN UK bone chilling and breathtakingly frightening a well written compelling read KIRKUS REVIEWS a ripping yarn BRISBANE NEWS serves to show just how brave skilled resourceful and optimistic the original explorers had been Verdict victory over adversity HERALD SUN The Endurance Caroline Alexander,1998-11-03 This book recounts the ordeal of Ernest Shackleton and his crew who attempted to make the first crossing on foot of the Antarctic continent but who became trapped on the ice floes for twenty months in the attempt **Access All Areas** Sara Wheeler,2013-01-22 Adventures in going forth and staying put from one of our greatest travel writers In vivid urgent books such as Terra Incognita and The Magnetic North Sara Wheeler reckoned with the allure and brutality of life on the fringes exploring distant lands with an extraordinary sensitivity to history to place and to the people who inhabit them Access All Areas collects the best essays and journalism by a writer who has used extreme travel as a means to explore an inner landscape Ranging from Albania to the Arctic Wheeler attends a religion seminar aboard the Queen Elizabeth 2 and defrosts her underwear inside an igloo She treks to distant Tierra del Fuego a place where nothing ever happened and to the swamps of Malawi a place so hot that toads explode She crosses dubious borders with nothing but a kidney donor card for ID and learns to wing walk and belly dance though not at the same time Charming scathing restless and eternally amused the writer we meet in Access All Areas has spent a lifetime investigating roots and rootlessness Seeking only to satisfy her own curiosity Wheeler shows us the world South Ernest Shackleton,2014-10-21 Ernest Shackleton s own account of his ill fated attempt to cross Antarctica from sea to sea is a story of courage endurance survival and the true spirit of adventure **Ernest Shackleton** Evelyn Dowdeswell,2014-10-09 Learn all about the thrilling adventures of the Antarctic explorer Ernest Shackleton and how he and his team survived against the odds This book commemorates the anniversary of Shackleton s famous Antarctic expedition of 1914 1917 an incredible real life adventure story of leadership and heroism Filled with incredible original photographs from the archives of the Scott Polar Research Institute this book will captivate readers and provide a window into the past **The Heroic Age of Antarctic Exploration on Film and Television, Volume 1** John Atkins,2025-09-17 This book examines in detail for the first time the screen legacy of the great Irish born Antarctic explorer Sir Ernest Shackleton 1874 1922 It encompasses the pioneering expedition films he made from 1909 to 1922 and the documentary and drama productions he has inspired since then The book provides a unique and original approach to understanding Shackleton including the first comprehensive account of the original Antarctic documentary film now lost that recorded the achievements of the 1908 09 Nimrod expedition Drawing on much original source material films diaries contemporary newspapers and journals that has not been unearthed by previous authors this volume presents a fresh

perspective and includes a filmography with more than 100 entries spanning 1908 to 2024      *Shackleton's Journey* William Grill, 2024-09-01 In the last days of the Heroic Age of Exploration Ernest Shackleton dreamed of crossing the frozen heart of Antarctica a place of ferocious seas uncharted mountains and bone chilling cold But when his ship the Endurance became trapped in the deadly grip of the ice Shackletons dreams were shattered Stranded in a cold white world and thousands of miles from home the men of the expedition set out on a desperate trek across the ice in search of rescue Shackletons Journey is the true story of how Shackleton and his crew managed to survive this epic adventure and a testament to their great courage and endurance
