Long Journey Of Lukas B:

The Long Journey of Lukas B. Willi Fährmann, 1985 In the 1870 s fourteen year old Lukas accompanies a group led by his master carpenter grandfather from their Prussian village to the United States to seek their fortunes and where Lukas hopes to find his long missing father

U.S. History Through Children's Literature Wanda Miller, 1997-03-15 Allow students to step back in time to experience the thoughts feelings dilemmas and actions of people from history For each history topic Miller suggests two titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history meaningful to students and helps them retain historical details and facts

Children's Books from Other Countries Carl M. Tomlinson, 1998-01-15 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children s literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0 14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for librarians and teachers and other professionals working with children Sponsored by the United State

The Translation of Children's Literature Gillian Lathey, 2006-01-01 In the last few decades a number of European scholars have paid an increasing amount of attention to children s literature in translation This book not only provides a synthetic account of what has been achieved in the field but also makes us fully aware of all the textual visual and cultural complexities that translating for children entails Students of this subject have had problems in finding a book that attempted an up to date and comprehensive review of the field Gillian Lathey s Reader does just this Dr Piotr Kuhlczak

Director Centre for Translation and Comparative Cultural Studies University of Warwick Recreating the Past Lynda G. Adamson, 1994-06-30 Spanning grades 1-10 this annotated bibliography of 970 recommended American and world titles published through early 1994 includes adult titles suitable for young readers at least 200 of the titles are award winners In support of interdisciplinary English and social studies curricula librarians and teachers can easily assemble a basic list of books on a geographical place and time period Geographical sections are divided into historical time periods within which entries are organized alphabetically by author Each entry contains both reading and interest grade levels a short incisive annotation about the historical event setting plot protagonist and theme current publication availability and awards won Seven reference appendices allow for easy searching These helpful appendices and an authors a titles and an illustrators index help to make this volume a critical professional tool **Translation and the Global City** Judith Weisz

Woodsworth, 2021-09-26 Translation and the Global City showcases fresh perspectives on translation in a global context drawing on case studies from Montreal and other multilingual cosmopolitan cities to examine the historical sociological and cultural factors underpinning the travel of languages ideas and cultures across borders Building on the spatial turn in translation studies the book adopts a bridge metaphor to explore the complexities of translational spaces and the ways in which translation acts can both unite and divide in the global city The collection initiates the discussion with a focus on the Canadian context and specifically the city of Montreal where historical circumstances public policy and shifting language politics have led to a burgeoning translation industry It goes on to address issues of translation in other regions and cities of the world generating new insights and opening avenues for further research into the relations between languages and cultures This volume will be of particular interest to students and scholars in translation studies especially those with an interest in translation theory and the sociology of translation **International Companion Encyclopedia of Children's Literature** Peter Hunt, Sheila G. Bannister Ray, 1996 The Encyclopedia offers comprehensive and international coverage of children's literature from a number of perspectives theory and critical approaches types and genres context applications and individual country essays Religion, Children's Literature, and Modernity in Western Europe, 1750-2000 Jan de Maeyer, 2005 In this book some 25 scholars focus on the relationship between religion children's literature and modernity in Western Europe since the Enlightenment c 1750 They examine various aspects of the phenomenon of children's literature such as types of texts age of readers position of authors design and illustration The role of religion in giving meaning both in a substantive sense as well as through the institutionalised churches is studied from an interdenominational point of view Judaism Roman Catholicism Protestantism and Anglicanism Finally the contribution of pedagogy and child psychology in the interaction between modernity religion and children's literature is also discussed Various articles give a broad overview of the tensions between aesthetics and ethics and the demand for cultural autonomy in the development of children's literature Children's bibles and missionary stories played an important part in the growing diversification of children's literature as did

the publication of illustrated reviews for children Remarkable differences are highlighted in the involvement of religious societies and institutions episcopally approved publishing houses and supervisory bodies in the publication distribution and supervision of children s literature This volume adopts a comparative approach in exploring the underlying religious ideological and cultural dimensions of children s literature in modern society **Response and Analysis** Robert E. Probst,1988 Teacher resource for Senior High Language Arts English 10 1994 1999 **Rewritten** Elle Limpkin,2023-04-24
