Coach "Catfish" Smith and His Boys Glen Onley,2004 Milburn Catfish Smith rose from the humblest of beginnings in rural East Texas to lead the Carey Cardinals and the Mount Vernon Tigers to numerous football and basketball championships including Texas State Schoolboy titles In doing so he defied the sports gurus of his day many of whom subsequently credited him with three of the greatest coaching feats of his century How did he do it Here for the first time the secret behind this most unusual and colorful man s success is revealed unknown until now even by many of his former players His Boys No slow climb to the top was acceptable for this firebrand coach In his first year he took his Carey Cardinals a school with less than one hundred enrollment and no basketball court to a fourth place finish in the Texas Schoolboy state basketball tournament including a twenty six game winning streak The twenty three year old coach followed that with a 50 2 season and the state championship back when the smallest schools competed against the largest for the coveted title World War II soon interrupted his career as it did that of many of his contemporaries but the experience was to change Catfish deeply and in ways even his closest friends did not understand Called to Mount Vernon Texas in September 1943 to temporarily fill a coaching vacancy Catfish exceeded all expectations Seven years later with two hundred fourteen victories and over twenty titles including district bi district regional and state crowns he was one of the most recognized high school coaches in the state of Texas

Arms and the Man, The Devil's Disciple, and Caesar and Cleopatra George Bernard Shaw,2021 The three plays in this volume are some of George Bernard Shaw s most

popular and frequently performed works They demonstrate the development of Shavian comedy and contain early formulations of his idea of the Superman an extraordinary individual who catalyzes the evolution of mankind Arms and the Man 1894 was Shaw s first commercial success and the first public confirmation that he could make playwriting his profession It is the first of what Shaw called his pleasant plays comedies that critique idealism in general rather than specific social problems as his earlier plays did Specifically Shaw undermines the romance of wartime courage reckless heroism and nationalist pride among British spectators while using the Serbo Bulgarian War of 1886 as an exotic veneer Shaw wrote The Devil s Disciple 1897 for William Terriss an actor known for his swashbuckling roles who had requested a play that would contain every surefire melodramatic situation mistaken identities terrifying adventures and last second escapes and frequent emotional outpourings Caesar and Cleopatra 1898 is Shaw s revision of Shakespeare s Julius Caesar and Antony and Cleopatra as well as a fusion of the pragmatism and unconventionality of the heroes of Arms and the Man and The Devil s Disciple into a portrait of jocular morally serious leadership

Performing Human Consciousness Vanessa Dodd,2024-09-30

Is the mind like a theatrical performance This comparison has often been used as a conceptual tool by neuroscientists philosophers and psychologists in trying to understand what constitutes the human mind and in particular how the comings and goings and the character transformations on the stage and in the scripted text give us visible access to the hidden workings of the human mind Performing Human Consciousness makes use of this metaphor to explore the variety of ways in which the private thoughts and feelings we all have bring into play many aspects of persistent philosophical questions over how the essentially private world of personal experiences can relate to and communicate with the common public world To investigate this generalisation in more detail the author brings into play her own conscious experiences by making use of an auto inscribed play Being Me Through this dramatic medium she seeks to show in detail how phenomenal consciousness is captured through the dramatic play text and thereby made known to others through performance of that text Broadening out her argument further the author then embarks on an enquiry into a selection of play texts from an historical variety of perspectives from the early Greek and Mediaeval dramas through to the Symbolist period and onwards to the present day demonstrating the variety of ways in which they illustrate her argument This book will be of great interest to students and scholars of theatre performance and scriptwriting
