Long Stretch At First Base:

Long Stretch at First Base Matt Christopher, 1960 Too Hot to Handle Matt Christopher, 2009-12-19 Baseball runs in David Kroft's family. His father was a good player in his day; his uncles play on professional teams and David's older brother Don is the best short stop in the history of Penwood High School. *Mystery Coach* Matt Christopher, 2009-12-19 When their coach becomes ill and their baseball team starts falling apart, several of the Blazers begin receiving coaching tips from an anonymous phone caller. *Front Court Hex* Matt Christopher, 2009-12-19 Star of the previous year's basketball team Jerry can't do anything right in the new season but refuses to believe his new friend who is claiming to be a warlock predicts Jerry's play won't improve until he changes his slovenly habits. **Takedown** Matt Christopher, 2009-12-19 As he is helped by an assistant referee to prepare for a wrestling match with the neighborhood bully Sean begins to wonder if his mentor could be his long lost father. **The Runmakers** Frederick E. Taylor, 2011-05-15 Statistics are the lifeblood of baseball. Managers pore over batting averages to determine game day lineups and batting orders; high number of runs batted in and low earned run averages receive praise from the press; higher salaries from the front office and love from fans and the fate of fantasy baseball players rises and falls with each statistical change. The prominence of the RC 27 and other more complex formula-driven stats has made numbers even more important to understanding and appreciating the game. For all these baseball buffs and more, Frederick E. Taylor provides a new measure of hitting prowess that just might be a game changer. Taylor's potential runs per game PRG measure accounts for batters getting on base, advancing runners, and driving in runs, and it separates leadoff and second batters from those in the middle of the order. Taylor introduces the measure, explains how it works, and applies it to players past and present. He breaks the history of major league baseball into eight eras based on differences in runs scored per game. He systematically, player by player and position by position, compares the results of the PRG measure to those drawn from other statistics such as on base percentage and slugging average. Taylor shows that PRG is more accurate and that career clutch hitting is a myth. Sabermetricians, baseball fans of all stripes, and anyone who earns a living from the sport will find a wealth of information and a whole new set of stats to obsess over. In *The Runmakers*, measuring baseball will never be the same. The Team That Stopped Moving Matt Christopher, 2009-12-19 A new baseball team gets some supernatural help from a concerned wizard. Undercover Tailback Matt Christopher, 2009-12-19 Parker Nolan likes to tell tall tales, so why should anyone believe him when he says he saw a mysterious figure stealing plays out of the coach's playbook. **Viner's View** Spencer W. Viner, 2017-05-25 If only my parents were still here to answer the questions that I have, answers that no one else would know. How often do we all say something like this and wish that our parents had recorded their histories for future generations: the family tree, their travels, life experiences, dreams, disappointments, achievements, and failures. It's what makes all of our journeys unique and worthy of passing along to our children so that they may know what made us who we are today. *Viner's View* is my answer to those questions, written for my children and

grandchildren Although every question cannot be anticipated I have recorded my journey from childhood to retirement in the hopes that they know about my life experiences and the lessons learned from each so no mystery remains The events people places and experiences that had a profound effect on my life are recorded here From Vietnam to the United States Supreme Court the practice of law to politics organized labor to the mob all changed my life in a way that only I can accurately portray

The Winning Stroke Matt Christopher,2009-12-19 When hydrotherapy for an injured leg takes him to the pool on a regular basis twelve year old Jerry finds himself fascinated and challenged by the rigors of competitive swimming Wild Pitch Matt Christopher,2009-12-19 Eddie doesn't like the idea of girls playing baseball in his league but when one of his pitches injures a girl he rethinks his attitudes Hard Drive to Short Matt Christopher,2009-12-19 Shortstop Sandy makes the error of not telling fellow players why he leaves ballgames early and alienates them further by excluding them from his friendship with an older boy Glue Fingers Matt Christopher,2009-12-19 Reluctant to play football because he stutters Billy Joe's first game discloses that he has no reason to fear ridicule Jimmie Foxx Mark R. Millikin,2005-09-21 While major league baseball gained popularity in large American cities at the beginning of the twentieth century it was still relatively unseen by small town inhabitants who could only read about it in the newspaper or catch an exhibition game as major league teams traveled through the United States What was popular was town baseball fierce competitions between local teams to best the other in all aspects of baseball particularly power hitting It was from this environment that Jimmie Foxx one of major league baseball's most talented players began his journey toward the majors Jimmie Foxx The Pride of Sudlersville is the story of one of baseball's most ferocious hitters Growing up in small town Maryland Jimmie seemed destined to play major league baseball By age 16 he was already playing professionally and wowing fans with his ability to smash homers During his major league career he appeared in three straight World Series played for the Philadelphia Athletics and the Boston Red Sox and spent the 1932 baseball season closely pursuing Babe Ruth's single season home run record The comparison to Babe Ruth has not been lost on many baseball scholars but goes relatively unknown by the general public and many baseball fans The most inclusive biography of Jimmie Foxx to date Millikin's book provides a complete picture of his subject Power Play Matt Christopher,2009-12-19 A magic candy bar improves Rabbit's basketball game more than is really desirable **The Reluctant Pitcher** Matt Christopher,2009-12-19 Wally Morris is a good right fielder but Coach Hutter is trying to make him a pitcher Wally is a lefty and has a strong arm and good aim What he doesn't have is the desire to play the position But how can he refuse Coach Hutter once saved his life and Wally feels he owes him Then he meets Cab Lacey a former ballplayer whose life story bears some resemblances to his own Will Cab help Wally see that being true to oneself is sometimes more important than fulfilling another's dreams Twenty-One Mile Swim Matt Christopher,2009-12-19 With remarks about his small stature and poor swimming skills ringing in his ears the son of Hungarian immigrants begins to train for the 21 mile swim across a nearby lake Running With a Stethoscope: Looking for
