*Look to the East! A Ritual of the First Three Degrees of Masonry ... Edited by R. P. L. Ralph P. Lester, 1876*      Look to the East; A Revised Ritual of the First Three Degrees of Freemasonry Ralph P. Lester, 2007-02 A complete work of the Entered Apprentice Fellow Craft and Master Mason's degrees with their ceremonies lectures etc Also Constitution By Laws of the Lodge and Officer's Installation      **Look to the East** Ralph P. Lester, 2007-08-15 The complete work of the Entered Apprentice Fellow craft and Master mason's Degrees with their ceremonies lectures etc It has doubtless been a matter of comment and surprise among the Members of the Fraternity that all the books which are avowedly intended to serve as guides to the Work of a Lodge invariably contain more or less than their professed object demands They are usually deficient in the very points that may be most needed rendering the use of a separate Monitor unavoidable while on the other hand they include a great deal of information on matters with which every Mason is necessarily perfectly familiar and which it is neither needful nor desirable to be communicated to the uninitiated It has been the aim of the Compiler of this little volume to avoid both these defects first by omitting all Passwords Grips and other esoteric subjects and second by giving the Work of the first three degrees monitorially as well as ritually complete in plain language for ready reference and entirely free from the tedious perplexities of cypher or other arbitrary and unintelligible contractions      *Look to the East* Ralph Lester, 2012-06-01 2012 Reprint of 1927 Edition Exact facsimile of the original edition not reproduced with Optical Recognition Software For the individual looking to take Masonic orders or for the person who is just curious about all the secrecy this book contains virtually complete rituals ceremonies and lectures for the first three degrees of Masonry Because of this it makes an excellent study guide for degree work and serves to aid the initiate in better understanding his transformation      *Look to the East* Lester Ralph P., 2019      Look to the East Ralph P Lester, 2020-05-08 For the individual looking to take Masonic orders or for the person who is just curious about all the secrecy this book contains virtually complete rituals ceremonies and lectures for the first three degrees of Masonry Because of this it makes an excellent study guide for degree work and serves to aid the initiate in better understanding his transformation Print ed      **Look to the East!** Ralph P. Lester, 1964      *Look to the East* Ralph P. Lester, 2020-09-20 *Look to the East A Ritual of the First Three Degrees of Freemasonry* by Ralph P Lester is the classic and easy to understand guide for every Mason It details in simple and plain language the rituals of the Entered Apprentice Fellow Craft and Master Mason's degrees and the general procedures followed by most lodges when they hold their regular meetings While this time honored guide is a helpful reference for both new and experienced Masons it does not reveal the closely held secrets of this enduring fraternity It does however show that the public has nothing to fear from a Masonic Lodge or its members and that the traditions and rituals of Freemasonry are logical and honorable Consisting of descriptions of ceremonies transcripts of lectures the organization's constitution by laws and the rules for the installation of officers this guide contains all the information that a member might need to refer to from time to time *Look to the East* is

an important addition to the library of any Freemason and is a fascinating and informative read for any person curious to learn more about these mysterious organizations This edition is printed on premium acid free paper     Look to the East
