

Looking Backward 2000 1887 Riverside Editions

Houghton, Mifflin and Company

Looking Backward 2000 1887 Riverside Editions:

Looking Backward 2000-1887 Edward Bellamy, 1966 *Looking Backward: 2000 - 1887* Edward Bellamy, 2003-01-02
Edward Bellamy's *Looking Backward 2000 1887* 1888 is one of the most influential utopian novels in English. The narrative follows Julian West who goes to sleep in Boston in 1887 and wakes in the year 2000 to find that the era of competitive capitalism is long over, replaced by an era of co-operation. Wealth is produced by an industrial army and every citizen receives the same wage. This edition contains a rich selection of appendices including excerpts from Bellamy's *Equality* and other writings, contemporary responses by William Morris, Charlotte Perkins Gilman and others, excerpts from utopian works by Morris and William Dean Howells, and an excerpt from Henry George's *Progress and Poverty*. *Utopias and Utopians*
Richard C.S. Trahair, 2013-10-31. Utopian ventures are worth close attention to help us understand why some succeed and others fail for they offer hope for an improved life on earth. *Utopias and Utopians* is a comprehensive guide to utopian communities and their founders. Some works look at literary utopias or political utopias etc and others examine the utopias of only one country; this work examines utopias from antiquity to the present and surveys utopian efforts around the world. Of more than 600 alphabetically arranged entries, roughly half are descriptions of utopian ventures, the other half are biographies of those who were involved. Entries are followed by a list of sources and a general bibliography concludes the volume. *Robert A. Heinlein: In Dialogue with His Century* William H. Patterson, 2025-08-22. Robert A. Heinlein. *In Dialogue with his Century* 1948 1988. The Man Who Learned Better. The real life story of Robert A. Heinlein in the second volume of the authorized biography by William H. Patterson. Robert A. Heinlein 1907 1988 is generally considered the greatest American science fiction writer of the twentieth century. His most famous and widely influential works include the *Future History* series, stories and novels collected in *The Past Through Tomorrow* and continued in later novels *Starship Troopers*, *Stranger in a Strange Land* and *The Moon is a Harsh Mistress*, all published in the years covered by this volume. He was a friend of admirals, bestselling writers and artists, became committed to defending the United States during the Cold War and was on the advisory committee that helped Ronald Reagan create the Star Wars Strategic Defense Initiative in the 1980s. Heinlein was also devoted to space flight and humanity's future in space and he was a commanding presence to all around him in his lifetime. Given his desire for privacy in the later decades of his life, the revelations in this biography make for riveting reading. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **The Annual American Catalogue 1886-1900**, 1890 **The Publishers Weekly**, 1890 *Daniel DeLeon, the Odyssey of an American Marxist* L.
