Findlay, Leigh Sparks, 2002 **Life Is But a Dream** Lon Safko, 2005 Life Is But A Dream is an intriguing compilation of insights learned during one man s life as he rowed down his stream on his first 50 years of his journey Each of these seven short stories is filled with compelling observations on the definition of ones individual reality They are present in different interesting and entertaining plots and are woven around unique perspectives of what your reality is or might be Life Is But A Dream will leave you questioning Is mine the only real reality Do I create my own reality the way I live when I go to heaven even the people in my life What is real and what has been created by my own perception of my reality What can I do to create the reality I really desire Row

Exploding the Reading David Booth, 2014-11-05 One 200 year old folk tale 30 teachers and 1 000 students Ride along with literacy guru David Booth as he takes the same story to a wide variety of classrooms from kindergarten all the way through grade 12 and be amazed by the learning generated David argues that it takes two to read a book He reasons that sharing responses and bouncing ideas off others guides students to deeper thinking and challenges them to reconsider their views and increase their understanding This intriguing book also shows teachers how to help students discover the world outside the text the origins connections place values and the different perceptions that readers have It illustrates ways to transpose that original text into other forms that let students look at the text with different eyes to ponder what might have been to challenge what they read and to add their new learning to the construct of the world Throughout the book authentic student samples and actual transcripts present students experiencing the featured story in a multitude of ways from poems and retellings to visuals and arts to conversation and blogs that will explode your definitions of comprehension response and engagement and have you looking at classroom literacy in a whole new way
