What I'm Looking Forward To: Life After Life After Death David Pawson, 2021-07-30 In this companion book to Heaven and Hell David Pawson continues with the subject of the life to come which despite being integral to the Christian faith is too often neglected David considers the biblical teaching on the last things death judgment heaven and hell and the challenges posed to the Christian in the modern world In doing so he asks penetrating questions such as What does the Bible teach about resurrection What happens immediately after death Did Jesus really go to hell The book also features interviews with two professionals whose work has brought them face to face with bereavement a doctor and a funeral director In response to David's searching questions they offer candid first hand accounts and insights about the challenges faced by the Christian in secular work environments and reveal ways in which their faith informs their view of mortality They also share their observations about the effects of bereavement while revealing how their belief in the life to come provides solace David also

responds to a series of questions from other Christians about the afterlife. In doing so, he goes straight to the heart of the Christian faith, often covering subjects that are overlooked or ignored in churches. Some of his answers may surprise you. Archangel Michael taught interactive healing to author Rekha Vidyarthi through this technique; she has assisted the healing process in people for sixteen years. Michael said to her, "You need to heal yourself in order to heal others." Written with Jesus's guidance, *Healing Hands of Jesus* illustrates how you can choose to change the karmic things and past lives that are happening right now. Angels heal many lives at once by healing one personality and integrating one fragment at a time into the higher self, shortening the incarnation of a troubled past and present. Every experience in life is created by unconscious thoughts. Your outer situation triggers your innermost emotions and feelings. The mind requires answers in order to change one's perspective. Because most answers lie either in childhood or in a past life, it is necessary to look within. The angels trigger our memories to identify the connection, which is when healing begins. Such things as parental imprinting, family karma, ego, anger, fear, guilt, sadness, depression, or learned behavior perpetuate from one life to the next. These issues repeat themselves through many lives until we learn how to heal the issues. *Healing Hands of Jesus* explains that we must ask forgiveness for the negative things that are happening to us now in order to heal ourselves.
