Eric Stewart,2014 When Nancy was in her late twenties she began having blinding headaches tunnel vision and dizziness which led to the discovery of an abnormality on her brain stem Complications during surgery caused serious brain damage resulting in partial paralysis of the left side of her body and memory and cognitive problems Although she was constantly evaluated by her doctors Nancy s own questions and her distress got little attention in the hospital Later despite excellent job performance post injury her physical impairments were regarded as an embarrassment to the perfect and beautiful corporate image of her employer Many conversations about brain injury are deficit focused those with disabilities are typically spoken about by others as being a problem about which something must be done In *Living with Brain Injury* J Eric Stewart takes a new approach offering narratives which highlight those with brain injury as agents of recovery and change in their own lives Stewart draws on in depth interviews with ten women with acquired brain injuries to offer an evocative multi voiced account of the women s strategies for resisting marginalization and of their process of making sense of new relationships to self to family and friends to work and to community Bridging psychology disability studies and medical sociology *Living with Brain Injury* showcases how and on what terms the women come to re author identity community and meaning post injury *Chiseled* Shaun Blakeney,Marcus Brotherton,2008-09-02 *Chiseled* encourages inspires and challenges young men to integrate into their lives the components of what it means to become a real man Those components comprise a code that all men need to learn which includes chivalry integrity and honor self control financial stewardship a strong work ethic and more This book is filled with practical wisdom for young men who want to live meaningful lives Readers will discover the balance between liberty and responsibility and will learn the durable truths that will impact them for a lifetime Blakeney and Brotherton invite young men to take a step forward to maturity and then continue to step forward for a lifetime of purpose and direction that will positively impact all around them This is a respectful and direct call for male maturity *Return of the Stargods* Richard Vizzutti,2003 *Return of the Stargods* reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also

takes the reader though the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God s children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read Sharing Testimony Johnny Saucedo,2023-11-17 Hello this book Sharing Testimony is all about what God can teach you in order for you to live a great life for you and all your loved ones It can help you teach your friends also but it has many words that the Word of God has so you can see what he says he wants you to know I can help you see things differently from what you think you know but after you go through it it can help you change in the way God wants you to change in order for you to be closer to him For he will always love you and send you things to go through or just to walk away from at times May you be without sin and closer to his Son Jesus Christ as you live your life God bless you and don t forget to pray each day to him as you get up in the morning
