Peace Russell Scalia,2008-06 The soulhell stirred within the dark recesses of the void that confined it as it began to feel its master s presence The creature did not wish its slumber to be disturbed because the void was cold and empty a formless cavity of blackness without sound or substance Soon it recognized the presence that reached out to it and it could not resist At long last someone had come to break the dreaded silence that had driven the creature mad At first the presence seemed merely an illusion and only slowly did the soulhell feel its full force It would live again Steal a soul so that it could walk once more upon the earth Sollyhnn awoke with a start unable to rid his mind of the nightmares that had haunted his thoughts for the last twelve evenings He slowly left his bed his mind still caught between dreams and reality and unknowingly began a journey that would take him through worlds he had never imagined existed and years to complete   Operations in Afghanistan Great Britain: Parliament: House of Commons: Defence Committee,2011-07-17 This report looks at operations in Afghanistan since 2006 and makes further recommendations for the anticipated draw down of forces UK Forces were deployed in Helmand Province in Afghanistan for three years from 2006 without the necessary personnel equipment or intelligence to succeed in their mission Mistakes were made as a result of a failure in military and political coordination The decision to move UK Armed Forces into the South of Afghanistan in early 2006 was not fully thought through The Committee is concerned that the MoD did not anticipate that the presence of the Armed Forces in Helmand might stir up a hornets nest especially as much of the intelligence was contradictory Senior military advisers should have drawn attention to the need for force levels to be sufficiently robust to cope with an unpredictable conflict The Committee is disturbed that the Secretary of State was told that commanders on the ground were content with the support they were being given in Helmand when clearly they were not After only a matter of months in Helmand the nature of the UK Mission changed with serious strategic implications The MoD did not respond quickly enough to changes in Taliban tactics The MoD should prioritise the protection of personnel The Government s room for manoeuvre regarding the number of troops that could be withdrawn from Afghanistan as part of an immediate transition is necessarily limited More emphasis needs to be placed on capacity building within the political system if long term success is to be achieved
